

Works Notification

Kerb repair investigation works

Toorak Road West and Walsh Street intersection,
South Yarra

March 2021

We're doing investigations to inform the kerb and garden repair work required at this location.

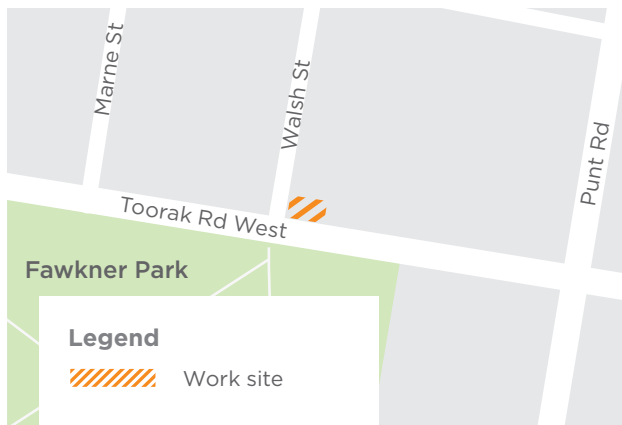

What we are doing

- Setting up the work area including traffic management
- Excavating and removing the existing damaged kerb and garden bed
- Laying crushed rock to make it safer
- The site will be reinstated at a later date.

When

Works will take place from 7.30am to 3.30pm, Wednesday 24 March 2021. Additional works may be required on Thursday 25 March and Friday 26 March 2021.

The timing of these works may change depending on weather.

What you should be aware of

- Vehicles, trucks, machinery and contractors on site
- Temporary road, lane, footpath and on street parking closures near work site
- Mostly medium levels of noise and low levels of dust, with some periods of high noise when concrete or asphalt is cut and removed
- Access to properties or businesses will not be affected by the works
- No impact to tram services.

Please follow signage and traffic management around the work zone and allow extra time when planning your journey.

We appreciate your patience while these works are completed. For more information call Yarra Trams project team on **0466 853 477**.

Health and safety

To ensure the safety of all workers and the community, all construction and maintenance work undertaken by Department of Transport and its contractors are operating under High Risk COVID Safe plans.
