

Works Notification

Temporary partial closure of Edward Street Toorak

Thursday 22 to Monday 26 July 2021

Further to the previously notified 24-hour rail works within the rail corridor between South Yarra and Caulfield stations, a partial closure of Edward Street will be required to ensure the activity in the area is undertaken safely.

What we are doing

- Installing underground signalling cable assets, conduits and a retaining wall within the rail corridor
- Delivering materials from our rail access point at Edward Street
- Works require the use of a concrete pump, hi-rail excavator, hi-rail crane and crews with hand tools.

When

24-hour rail works

- 8pm Friday 23 to 3am Monday 26 July.

Temporary parking removal on Hopetoun Grove

- 6pm Thursday 22 to 7am Monday 26 July.

What you should be aware of

- These works are expected to generate medium levels of noise with some high-level peaks. Where possible, higher impact works will be scheduled to take place during the day
- Parking along Edward Street will be unavailable. Edward Street will be closed between Fairbairn Road and Canterbury Road. These traffic changes will be in place to ensure delivery activities to the rail access point are undertaken safely and efficiently. Additional truck movements will be required during this time
- Traffic management will be in place along Edward Street to facilitate local vehicles entering and exiting the road. Local residential access will be maintained
- Generator-powered lighting towers are required while we complete night works. Where possible, lights will be positioned to face away from residential properties and noise reduction mats will be placed around generators.

Health and safety

Works on the Metro Tunnel project are progressing with strict COVIDsafe plans in place.

The health and safety of our workforce and community remains our top priority.

For more information and advice about the coronavirus (COVID-19), please visit coronavirus.vic.gov.au.
