

WORKS NOTIFICATION

TRAM POLE RELOCATIONS - LA TROBE STREET 5 AUGUST - 18 AUGUST 2019

Major works on the Metro Tunnel are underway to support construction of the new State Library Station at the northern end of Swanston Street in the CBD.

To facilitate the construction of the underground passenger connection between Melbourne Central Station and the future State Library Station tram pole relocation works are required on La Trobe Street between Elizabeth and Swanston streets.

Works will take place during the day and at night between Monday 5 August to Sunday 18 August 2019. During these works the eastbound traffic lane on the northern side of La Trobe Street will be closed to motorists and cyclists.

What we are doing

- Installing pad footing using a road cutter, vacuum truck and a concrete agitator
- Excavating standard footing using a vacuum truck and road cutter
- Installing plunge columns using a crane, excavators, concrete agitators and hand tools.

What to be aware of

- There will be no through access for motorists or cyclists to Swanston Street travelling eastbound during these works (refer to map for detour)

- The northern footpath on La Trobe Street will remain closed adjacent to the work area
- Traffic management will be in place to safely guide pedestrians, cyclists, and motorists around the work area
- There will be high levels of noise during saw cutting and ground breaking activities and during use of the vacuum truck. Some noisy works need to take place while the trams are not running between 1am to 5am
- All reasonable efforts will be made to complete the works as per schedule, subject to weather
- Pedestrian access to the tram stop on La Trobe Street will be maintained at all times
- Access to businesses and residential buildings will be maintained at all times.

When

- 24/7 works, Monday to Sundays between Monday 5 August to Sunday 18 August 2019 (weather permitting).

Bicycle and vehicle diversions during works
