

## WORKS NOTIFICATION

### SERVICE INVESTIGATIONS, STATE LIBRARY PRECINCT 5 AUGUST – MID-SEPTEMBER 2019

Major works on the Metro Tunnel are underway to support construction of the new State Library Station at the northern end of Swanston Street in the CBD.

Service investigation works are required from 8pm to 6am, Sunday to Thursdays between **5 August and mid-September 2019**.

Service investigation works will take place in two stages.

#### Stage one

##### What we are doing:

- Setting up small localised traffic controls to guide pedestrians and cyclists around the work sites
- Service scanning, surveying and using CCTV trucks at various locations (refer to map).

##### When:

- 8pm to 6am, Saturdays to Thursdays between 5 August and mid-August 2019.

##### What to be aware of:

- These works need to be carried out at night to minimise impacts to traffic
- Works in stage one will generate low levels of noise
- Traffic management will be in place to safely guide pedestrians and cyclists around the work areas
- Access to residential buildings and businesses will be maintained at all times.

#### Stage two

##### What we are doing:

- Setting up small localised traffic controls to guide pedestrians and cyclists around the work sites
- Saw cutting with a road saw
- Non-destructive digging using a vacuum truck
- Backfilling and reinstating the road surface using an excavator.

##### When:

- 8pm to 6am, Saturdays to Thursdays between mid-August and mid-September 2019.

##### What to be aware of:

- Work locations during stage two will be determined by the findings from stage one. Please refer to map for all potential work locations during stage two
- These works need to be carried out at night to minimise impacts to traffic
- Works in stage two will generate medium-high levels of noise, noisier works will be completed earlier in the shift where possible
- Traffic management will be in place to safely guide pedestrians and cyclists around the work areas
- Access to residential buildings and businesses will be maintained at all times
- Additional information will be provided to directly impacted stakeholders.
