WORKS NOTIFICATION

FLINDERS STREET
SEPTEMBER AND OCTOBER 2019

In August, the project team commenced the first stage of work to create a seamless passenger connection beneath Flinders Street. This included, relocating underground services and constructing a new pedestrian crossing west of Degraves Street. This update provides an outline of upcoming works in your area throughout September and October.

Construction snapshot
From 8pm on Monday 2 September, both eastbound lanes on Flinders Street between Swanston and Elizabeth streets, will be closed for up to three years.

There will also be changes to the northern footpath between Degraves and Swanston streets.

Further information on these works can be found overleaf or at metrotunnel.vic.gov.au.

When are we working?

**Normal construction hours**
7am to 6pm, Monday to Friday
7am to 1pm, Saturdays

Some activities may be required to continue slightly past these hours. All efforts will be made to complete activities as scheduled.

**Out of hours**

Some works are required to take place out of normal construction hours. The timing of these works are outlined in the construction information overleaf.

**24 hours**

24 hour works are sometimes required during peak construction activities. The timing of these works are outlined in the construction information overleaf.
**WORKS IN YOUR AREA**

**Changes to overhead canopies and pedestrian gantry installation**

**Flinders Street**
10am to 5am, throughout September

A pedestrian safety gantry will be installed on the Flinders Street northern footpath between Degraves Street and the Flinders Quarter site entrance. There will also be changes to overhead canopies on Flinders Street. These works include:

- The installation of a pedestrian safety gantry
- The use of elevated work platforms
- The use of rattle guns
- The removal of overhead canopies
- These works are expected to generate medium levels of noise.

**Line marking and traffic signalling works**
Flinders Street
8am to 6am, Monday 2 September

These works include:

- Line marking on Flinders Street
- Traffic signalling works including the use of handtools and an elevated works platform
- The installation of concrete barriers
- These works are expected to generate medium levels of noise.

**Changes to tram services**

- **Flinders Street**
  - 9pm to 5am, Monday 9 until Thursday 12 September

  **Piling works**

  - These works can only take place at a safe distance away from the tram stop during normal working hours.
  - These works are expected to generate medium to high levels of noise.

  **Line marking on Flinders Street**

  - 6am to 6am, selected nights, between September and December

  **Service relocations**

  - Flinders Street, between Degraves and Swanston streets

  - These works include:
    - Service scanning
    - Saw cutting
    - Non-destructive digging
    - Micro tunneling and excavations
    - These works are expected to generate medium to high levels of noise.

  **Piling platform construction works**

  - 7am to 6pm, Mondays to Fridays and 7am to 1pm Saturdays, from Monday 2 September until Saturday 7 September

  **Oversized deliveries**

  - Flinders Street
    - 1am to 5am, between Monday 2 and Thursday 12 September

  - These works include:
    - The use of a piling rig
    - The use of cranes, concrete trucks and concrete pumping equipment
    - These deliveries will include the mobilisation of a piling rig, crane and excavators and are expected to generate low levels of noise.

  **Changes to tram services**

  - **Flinders Street**
    - 9pm to 5am, Monday 9 until Thursday 12 September

    - To enable piling adjacent to the Flinders Street tram stop, tram services will be disrupted from 9pm until the last tram each night from Monday 9 September until Thursday 12 September.

    - During this period, Route 70 and 75 tram services will run in sections, with no trams running between Stop 6 Russell Street and Stop 4 Elizabeth Street on Flinders Street. Stop 5 Flinders Street Station will be closed.

    - Passengers will be required to walk between Stop 6 Russell Street and Stop 4 Elizabeth Street.

  - **Flinders Street**
    - 24 hours, Wednesday 2 and Monday 7 October

    - Piling works will occur on Flinders Street between Degraves and Swanston streets for four nights in September.

  - **Flinders Street**
    - 24 hours, Wednesday 2 and Monday 7 October

    - Piling works will occur on Flinders Street between Degraves and Swanston streets for six days and nights in October.

  - **Service scanning**

    - Line marking on Flinders Street

    - 6am to 6am, selected nights, between September and December

    - These works include:
      - Service scanning
      - Saw cutting
      - Non-destructive digging
      - Micro tunneling and excavations
      - These works are expected to generate medium to high levels of noise.

  - **Piling platform construction works**

    - Flinders Street
      - 7am to 6pm, Mondays to Fridays and 7am to 1pm Saturdays, from Monday 2 September until Saturday 7 September

    - These works include:
      - The use of a crane
      - The use of elevated work platforms
      - The use of rattle guns
      - These works are expected to generate low levels of noise.

  - **Oversized deliveries**

    - Flinders Street
      - 1am to 5am, between Monday 2 and Thursday 12 September

    - Oversized deliveries to Flinders Street must occur when trams are not operational

  - **Changes to tram services**

    - **Flinders Street**
      - 24 hours, Wednesday 2 and Monday 7 October

      - To enable piling adjacent to the Flinders Street tram stop, tram services will be disrupted from Wednesday 2 until Monday 7 October.

      - During this period, Route 70 and 75 tram services will run in sections, with no trams running between Stop 6 Russell Street and Stop 4 Elizabeth Street on Flinders Street. Stop 5 Flinders Street Station will be closed.

      - Passengers will be required to walk between Stop 6 Russell Street and Stop 4 Elizabeth Street.

  - **Pedestrian changes**

    - There will be changes to the Flinders Street northern footpath between Degraves and Swanston streets from Monday 2 September 2019.

    - The Flinders Street northern footpath will be closed adjacent to the Flinders Quarter site entrance. The Flinders Quarter site entrance is located between the Dangerfield and UniLodge buildings (refer to map).

    - The Flinders Street pedestrian footpath between Degraves street and the Flinders Quarter site entrance will be narrowed, and a pedestrian safety gantry will be installed.

  - **Traffic changes**

    - From 8pm on Monday 2 September, both eastbound lanes on Flinders Street, between Swanston and Elizabeth streets will be closed for up to three years. Local vehicle access to Degraves Street will be maintained for businesses and residents.

    - From September 2019 until November 2020, trucks will enter the Flinders Quarter worksite at Swanston Street, travelling north from St Kilda Road, crossing the intersection and turning left into the site across the bike lane.

    - Trucks exiting the worksite at Swanston Street will turn right and travel southbound along St Kilda Road.

    - Traffic management will be in place to safely guide pedestrians, cyclists and vehicles around work areas. Pedestrian and cyclist safety gates have also been installed across the project to separate cyclists, pedestrians, and construction vehicles. Please ensure you always obey the traffic signalling and traffic management personnel.
Business support

While the Metro Tunnel Project will be a significant boost for Melbourne, construction activities in a busy environment can be challenging for local businesses. In response to this, our Business Support team assists businesses through the disruption and any permanent changes that take place.

We hope you will join us in supporting the Flinders Quarter Augmented Art Walk and the businesses around our Town Hall Station sites. Please see the insert within this notification for more information. We look forward to promoting more business precincts and individual businesses in the coming months.

FLINDERS QUARTER
AUGMENTED ART WALK

EXPERIENCE ART DIFFERENTLY
14 AUGUST - 14 SEPTEMBER 2019

DISCOVER AND EXPERIENCE MELBOURNE’S FLINDERS QUARTER THROUGH A CONVERGENCE OF LOCAL ART, AUGMENTED REALITY (AR) AND STORYTELLING.

- FLINDERS STREET • CAMPBELL ARCADE
- DEGRAVES STREET • FLINDERS LANE • MANCHESTER LANE
- SCOTT ALLEY • CATHEDRAL ARCADE • NICHOLAS BUILDING

DISCOVER. EXPERIENCE. CELEBRATE. LOCAL

Presented by:
Flinders Quarter is the heart of Melbourne’s original ‘rag trade’ and a mecca for the city’s thriving coffee and dining culture, and nightlife, with hole-in-the-wall cafes, eateries, bars and some of the city’s best restaurants.

During construction of the new Town Hall Station, Flinders Quarter, home to a creative and entrepreneurial community with boutique, vertical, independent and long-standing stores and micro businesses, remains open for business.

We encourage residents and the local community to continue to support these businesses while we undertake these city-shaping works.
