

WORKS NOTIFICATION

24/7 RAIL WORKS AND TREE PRUNING RAIL CORRIDOR, BETWEEN MALVERN AND CAULFIELD STATIONS

TUESDAY 9 TO TUESDAY 23 JUNE 2020

As part of the Metro Tunnel works to construct the eastern tunnel entrance in South Yarra, we will be undertaking tree pruning, rail infrastructure upgrades and cable installation works along the rail corridor between Malvern and Caulfield stations.

What we are doing

- Pruning trees along Normanby Road to allow for the safe installation of new rail signalling infrastructure
- Trenching and excavating to install retaining walls using concrete to secure the precast panels
- Installing cable conduits, which will secure the cables that will provide power to the new trains
- These works will require the use of excavators, concrete pumps, asphaltting equipment and crews with hand tools.

When

Tree pruning works

- Wednesday 10 June, 7am to 6pm.

Rail corridor works (24/7 works)

- 10pm Friday 19 June to 3am Monday 22 June.

Parking removal on Normanby Road

- Tuesday 9 June to Wednesday 10 June
- Thursday 18 to Tuesday 23 June.

What to be aware of

- These works are expected to generate medium levels of noise, with periods of high level noise. Some low level vibration is also expected
- Traffic management will be in place along Derby Crescent, Dandenong and Normanby roads to allow for safe access to the work sites. Access for vehicles will be maintained during this time
- While we complete works along Normanby Road, a temporary road closure will be required. Detour routes will be in place for vehicles
- Additional parking will temporarily be removed along Normanby Road
- Lighting towers powered by generators are required during nightworks within the rail corridor. Where possible, they will be positioned to face away from residential properties
- Due to other project works also taking place in the rail corridor, buses will be replacing trains on the Frankston line from Friday 19 to Monday 22 June. Visit www.ptv.vic.gov.au for more information.

Key

- Works area
- Temporary road closure
- Temporary parking removal
- Detour routes
- Tree pruning works

Health and safety

The health and safety of our workers and the community is our key priority as we continue to deliver the Metro Tunnel Project, as is supporting physical distancing measures in line with current health advice.

We have strict protocols in place to protect the safety of our construction workforce, including enhanced industrial cleaning arrangements, provision of personal protective equipment and measures to reduce staff contact, including staggered shifts.

For more information about Coronavirus (COVID-19), please visit coronavirus.vic.gov.au.
