

Works Notification

Out of hours works and temporary parking removal Oban Place, South Yarra

Thursday 5 August to Monday 9 August
Thursday 19 August to Monday 23 August

Further to the previously notified 24-hour rail works within the rail corridor between South Yarra and Caulfield stations, a temporary parking closure at Oban Place will be required to support works within the corridor.

What we are doing

- Installing a retaining wall within the rail corridor
- Works require the use of a concrete pump, an excavator, concrete trucks and crews with hand tools.

When

24-hour rail works

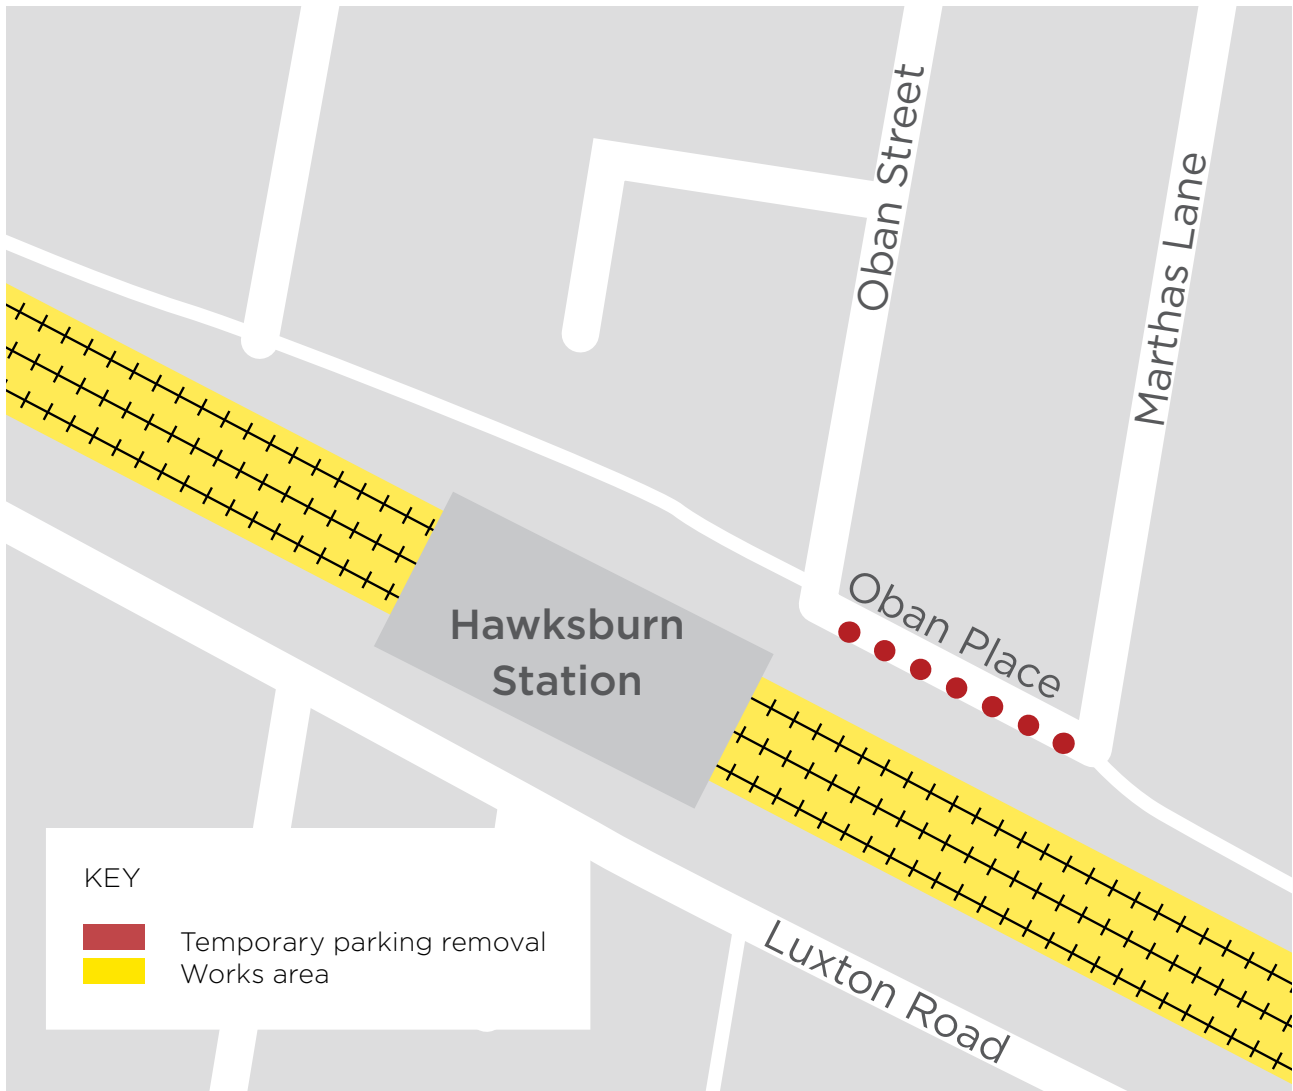

- 8pm Friday 6 August to 3am Monday 9 August
- 8pm Friday 20 August to 3am Monday 23 August.

Temporary parking removal on Oban Place

- 6pm Thursday 5 August to 7am Monday 9 August
- 6pm Thursday 19 August to 7am Monday 23 August.

What you should be aware of

- Additional truck movements will be required along Oban Place and Oban Street, as materials are being delivered to our works area
- These works are expected to generate medium to high levels of noise
- Some parking will be temporarily unavailable along Oban Place while we undertake the cable installation
- Traffic management will be in place along Oban Place and Oban Street to facilitate local vehicles from entering and exiting the road. Local residential access will be maintained during this time
- Generator-powered lighting towers are required while we complete night works. Where possible, lights will be positioned to face away from residential properties and noise reduction mats will be placed around generators.

Health and safety

Works on the Metro Tunnel project are progressing with strict COVIDSafe plans in place.

The health and safety of our workforce and community remains our top priority.
