

Important information

**Temporary partial road closure
Inverness Avenue, Armadale**

Friday 27 August to Monday 30 August

Works to install overhead structure foundations within the rail corridor

Further to the 24-hour rail works, a section of Inverness Avenue between 19 Inverness Avenue and Inverness Avenue Park will be closed to enable works to install the overhead structure foundations to be undertaken safely.

Traffic management will be in place to safely facilitate local traffic. Access to local residential properties along Inverness Avenue will be maintained during this time.

A concrete pump will be set up north of Inverness Avenue to support works within the rail corridor. As notified, works within the rail corridor will include piling, pouring concrete,

non-destructive digging to locate underground assets without damaging them and crews with hand tools. Additional truck movements will be required along Inverness Avenue and Wattletree Road, as concrete is delivered to site.

Works are expected to generate medium to high levels of noise.

Generator-powered lighting towers are required while we complete night works. Where possible, lights will be positioned to face away from residential properties.

When:

8pm Friday 27 August
to 3am Monday 30 August.

Where:

Between 19 Inverness Avenue and Inverness Avenue Park, Armadale.
