

## WORKS NOTIFICATION

# SHORT-TERM ROAD CLOSURE, EXCAVATION OF SOUTHERN BOX **SATURDAY 27 JULY**

Works in preparation for major construction of the Metro Tunnel Project and the new Anzac Station are continuing. The current phase of construction involves major works in the southern section of the station box.

### Construction overview

The last remaining section of the southern box will be excavated out on Saturday 27 July. In order to load this final section into trucks and haul it off site, an excavator and truck will need to be positioned outside the station box.

### When we are working

Out of hours:

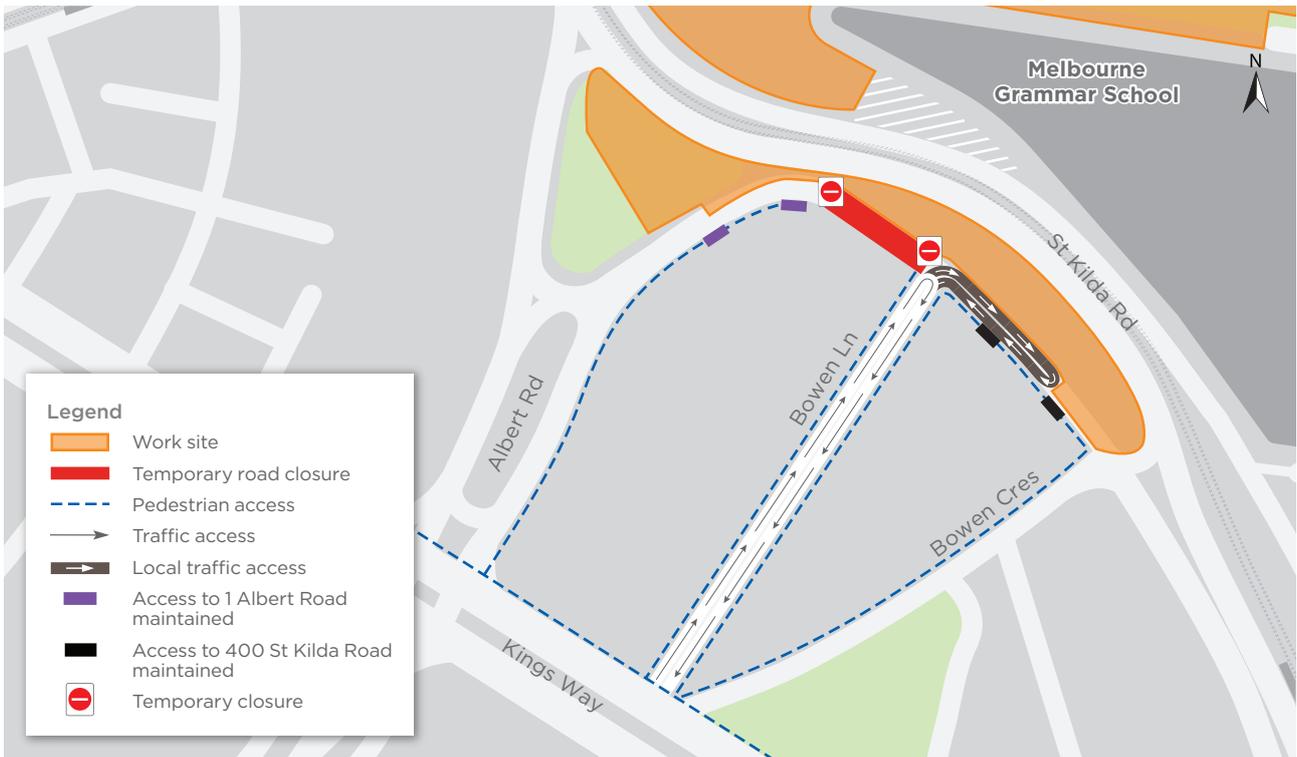

- 7am - 6pm, Saturday 27 July
- Contingency: 6pm - 10pm, Saturday 27 July and 9am-3pm, Monday 29 July

As these works require a partial footpath closure along St Kilda Road and closure of the road linking Bowen Lane to Albert Road South, contingency is in place to extend the works to 10pm on Saturday 27 July and if required 9am-3pm Monday 29 July. The project team will endeavour to complete these works in normal working hours.

Work activity will be completed by 10pm.

### What to be aware of

- For the duration of the works, the road linking Bowen Lane to Albert Road South will be closed to all traffic.
- Pedestrians will not be able to access the St Kilda Road footpath for the section between Bowen Lane and the entrance to 'The Domain' during these works. Pedestrian detours via Bowen Lane and Kings Way will be in place (see map overleaf)
- Traffic controllers will be in place during the works and there may be short delays.
- Residents of the Botanica will still be able to enter and exit their driveway via Bowen Lane.
- These works are expected to generate some periods of high-level noise.
- Noise, dust and vibration impacts will be managed in line with the Metro Tunnel Environmental Management Framework.
- The road linking Bowen Lane to Albert Road South may need to be closed again in future to allow for works in the southern section of the station box. The project team will notify residents and local workers in advance of any future closures.

Indicative only
