

WORKS NOTIFICATION

SURFACE WORKS, LITTLE LA TROBE STREET 12 AUGUST - 30 AUGUST 2019

Major works are continuing to support construction of the new State Library Station at the northern end of Swanston Street in the CBD.

Before piling commences at the Little La Trobe Street site, works are required to install services and create a shared use zone on Little La Trobe Street between **Monday 12 August and Friday 30 August 2019**.

What we are doing

Work to install and relocate services, create a loading zone, and shared use thoroughfare for motorists, pedestrians and cyclists. This involves:

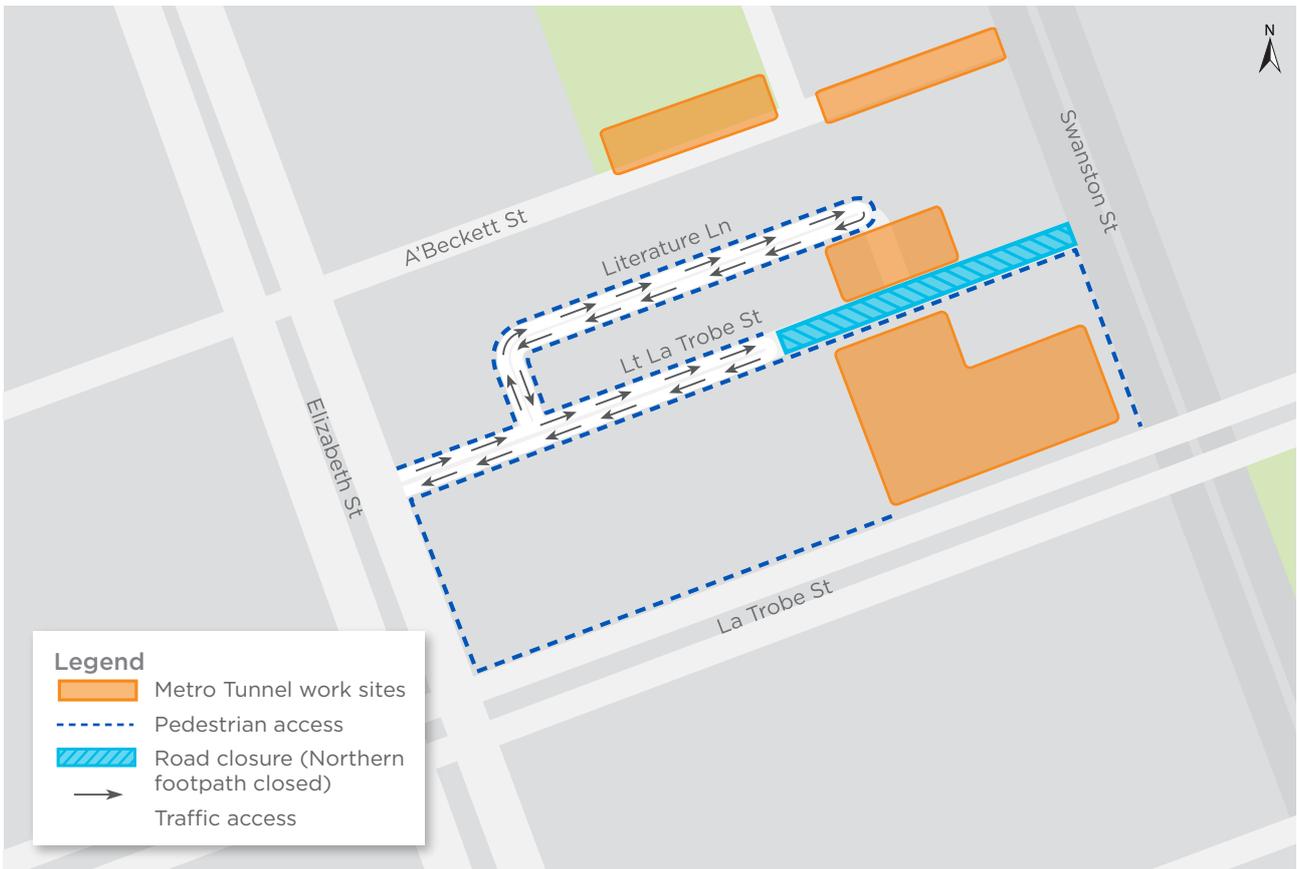

- Setting up traffic controls to guide motorists, pedestrians and cyclists around the work area (access to Little La Trobe St for motorists and cyclist will be maintained via Elizabeth Street)
- Excavating a new utilities trench across Little La Trobe Street
- Locating services using a vacuum truck
- Saw cutting the road surface using a demo saw
- Backfilling of trenches
- Removal of existing asphalt along Little Latrobe Street using an excavator and profiler machine
- Building up the road surface and service pits to the height of the existing footpath using bitumen, concrete and tipper trucks
- Installing spoon drains along the new thoroughfare
- Installing bollard footings for a new construction loading zone adjacent to the Little La Trobe Street site
- Creating a pedestrian crossing using a line marking truck.

When

- 3pm - 10pm, Monday to Fridays (between 12 August and 16 August)
- 7am - 6pm, (between 19 August to Friday and 30 August)
- 24hr road closure (between Monday 19 August and Friday 30 August).

What to be aware of

- Some of these works need to occur outside of standard construction hours to minimise impacts to traffic and local operations
- During work hours and the 24hr road closure, motorists will need to access to the western end of Little La Trobe Street and Literature Lane via Elizabeth Street (refer to map overleaf)
- The northern footpath on Little La Trobe Street adjacent to the Little La Trobe Street site will be closed during these works. The southern footpath will always remain open
- Steel plates will be installed over the road at the end of each shift, and traffic will be maintained outside of working hours between 12 and 18 August
- Traffic management will be in place to safely guide pedestrians, cyclists and motorist around the work area
- Telstra will carry out works under the road closure to relocate communication services. Any disruption to services will be notified separate to this notification

Indicative only

- There will be high levels of noise during ground-breaking and saw cutting works. Noisy work will be completed in the earlier part of the 3-10pm shift where possible
- Access to businesses and residential buildings will be maintained at all times.
