

WORKS NOTIFICATION

STATE LIBRARY STATION MARCH 2020

Major construction is continuing in the northern end of Swanston Street at the site of the future State Library Station.

Construction snapshot

Construction works within the State Library Station precinct during March 2020 include:

- Construction of the underground station platform
- Construction of the shaft at the Franklin Street West site
- Piling works at the Little La Trobe Street and La Trobe Street sites
- Tower crane installation at the La Trobe Street site.

Further information on these works can be found overleaf or at metrotunnel.vic.gov.au.

When are we working?

Normal construction hours

7am to 6pm, Monday to Friday
7am to 1pm, Saturdays

Some activities may be required to continue slightly past these hours. All efforts will be made to complete activities as scheduled.

Out of hours

Some works are required to take place out of normal construction hours. The timing of these works are outlined in the construction information overleaf.

24 hours

24 hour works are sometimes required during peak construction activities. The timing of these works are outlined in the construction information overleaf.

WORKS IN YOUR AREA

Structures and lining works

Franklin Street east site

24 hours, Monday to Sundays, ongoing

- Construction of the underground station platform will continue at the Franklin Street East site
- This involves the delivery of steel and concrete to the site using trucks and unloading materials within the acoustic shed.

Tunnelling works

A'Beckett Street site

24 hours, Monday to Sundays, ongoing

- Tunnelling works are continuing 24 hours a day inside the acoustic shed.

Shaft construction

Franklin Street west site

24 hours, Monday to Sundays, ongoing

- Shaft construction is ongoing at the Franklin Street West site
- This involves the use of excavators and trucks to remove spoil from the site and install steel struts
- There will be oversized deliveries to the Franklin Street West site to deliver large sections of steel for the shaft within the acoustic shed
- Due to traffic restrictions some oversized deliveries may take place between 10pm and 7am
- Local access for residents and businesses will be maintained at all times.

Piling and plunge column installation

Little La Trobe Street site

7am to 6pm, Monday to Saturdays, ongoing

Concrete pours and minor works - 6pm to 10pm, Monday to Fridays, as required

- Piling works are continuing at the Little La Trobe Street site
- Plunge column installation works will commence in March and will involve the use of piling rigs, cranes and trucks
- Concrete pours to support piling and other minor works will take place as required from 6pm to 10pm on weeknights. These activities generate low levels of noise
- Trucks will continue to use the loading zone on Little La Trobe Street to deliver and remove equipment, construction materials and spoil.

La Trobe Street site

7am to 6pm, Monday to Saturdays, ongoing

Concrete pours, pile cage deliveries and minor works - 6pm to 10pm, Monday to Fridays, ongoing

- Piling and plunge column installation works are continuing at the La Trobe Street site
- These works involve the use of piling rigs, cranes, and trucks
- Concrete pours, pile cage deliveries and other minor works to support piling are required from 6pm to 10pm on weeknights. These activities generate low levels of noise
- Further information about piling is available at metrotunnel.vic.gov.au.

Tower crane installation

La Trobe Street site

7am to 6pm, Monday to Saturdays, ongoing

Concrete pours, deliveries and other minor works - 6pm to 10pm, Monday to Fridays

24h works will be required during the road closures

A tower crane will be installed at the La Trobe Street site from 8pm Friday 13 March until 8pm Friday 20 March 2020 to facilitate the top down excavation and construction of the future State Library Station. Installing the tower crane involves:

- Preparatory works such as constructing a base slab using concrete pumps and trucks
- Installing a gantry which the tower crane will be mounted on
- Mobilising a supporting crane which will be used to install the tower crane, using heavy vehicles, light towers and hand tools

- The eastbound lane on La Trobe Street will be closed from 8pm Friday 13 March until 8pm Friday 20 March between Elizabeth and Swanston streets, with no through access to Swanston Street to facilitate these works (refer to map)
- Little La Trobe Street will be closed from Swanston Street to motorists, cyclists and pedestrians during the assembly of the crane boom. This work will take place on the final day of the La Trobe Street eastbound lane closure (refer to map)
- Additional information regarding road closures and work hours associated with the tower crane installation will be provided shortly
- These works are expected to generate medium levels of noise.

Oversized deliveries

All sites

10pm to 7am, ongoing

- A tower crane and a supporting crane will be mobilised to the La Trobe Street site
- A crane will be demobilised from the La Trobe Street site
- In addition to regular deliveries to site, out of hours deliveries will occur intermittently throughout March, to minimise traffic disruptions and ensure the safety of the public and our workers
- Local access for residents and businesses will be maintained at all times
- Traffic management will be in place to safely guide pedestrians, cyclists and motorists around the work areas.

Groundwater monitoring

All sites

Victoria, Franklin, Bouverie and Therry streets

7am to 6pm, Monday to Fridays

8pm to 5am, Monday to Fridays, under lane closure, as required

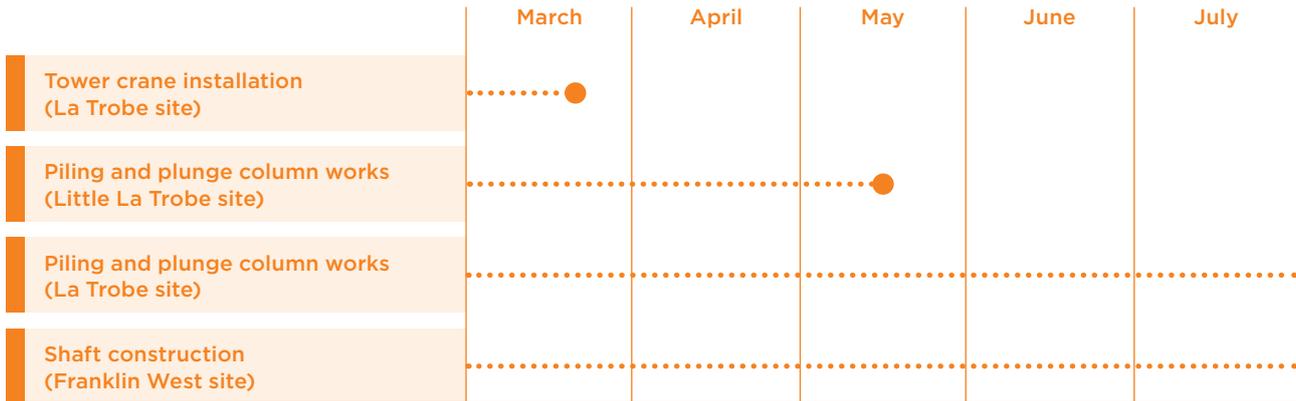

- There will be intermittent testing of previously installed groundwater wells on Victoria, Franklin, Bouverie and Therry streets on the road and footpath
- This involves setting up small localised traffic controls on footpaths and overnight lane closures on Victoria, Therry and Bouverie streets
- Traffic management will be in place to safely guide pedestrians, cyclists and motorists around the work areas
- Local access for residents and businesses will be maintained at all times
- These works are expected to generate low levels of noise.

Indicative only

LOOK AHEAD FOR 2020

Traffic and transport impacts

- The eastbound lane on La Trobe Street will be closed from 8pm Friday 13 March until 8pm Friday 20 March between Elizabeth and Swanston streets, with no through access to Swanston Street to facilitate these works (refer to map)
- Little La Trobe Street will be closed from Swanston Street to motorists, cyclists and pedestrians during the assembly of the crane boom. This work will take place on the final day of the La Trobe Street eastbound lane closure (refer to map)

Ongoing

- Intermittent partial closures of footpaths on Victoria, Franklin, Bouverie and Therry streets to allow for groundwater monitoring
- Intermittent overnight lane closures on Victoria, Bouverie and Therry streets to allow for groundwater monitoring
- The eastern entrance to Literature Lane is closed to motorists and pedestrians
- The dedicated eastbound bicycle lane and northern footpath on La Trobe Street adjacent to the La Trobe Street site is closed
- Further information about the detour routes during these closures are available at metrotunnel.vic.gov.au.

Business support

While the new State Library Station will be a significant boost for the local area, construction activities in a busy urban environment can be challenging for local business.

In response to this, our Business Support team assist businesses through the disruption and any permanent changes that take place.

We hope you will join us in supporting Wonderbao, 4/19-37 A'Beckett Street. Please see the insert within this notification for more information.

We look forward to promoting more local businesses in coming months.
