Major construction is continuing in the CBD at the site of the future Town Hall Station.

During these works there will be disruptions to route 70, 75 and City Circle tram services from 4am Sunday 5 July until 4am Sunday 12 July. What to be aware of

- Intermittent periods of high noise are expected to occur during the night when saw cutting and non-destructive digging works are ongoing
- Route 70, 75 and City Circle trams will run in sections with no trams between Stop 4 Flinders Street Station and Stop 6 Russell Street, in both directions
- Access to businesses and residential buildings will be maintained at all times

- From 8pm on Sunday 5 July until 6am on Monday 6 July, Flinders Street eastbound lanes between Queen and Elizabeth streets will be closed to motorists. Local access to carparks will be maintained
- From 8pm on Sunday 5 July until 6am on Wednesday 8 July, vehicle access to Degraves Street will be maintained via Elizabeth Street. Traffic management will be in place at intermittent times to escort local traffic during this period
