

WORKS NOTIFICATION

CONCRETE POURS AND GROUNDWATER WELL INSTALLATION JULY - AUGUST 2020

Major works on the Metro Tunnel are underway to support the construction of the new State Library Station at the northern end of Swanston Street in the CBD

Further to the Concrete Pours and Groundwater Well Installation notification, additional works are required to install a groundwater well on Little La Trobe Street and carry out large continuous concrete pours at the La Trobe and Little La Trobe Street sites.

Sections of Little La Trobe Street will be closed to motorists during some of these works.

What we are doing

La Trobe and Little La Trobe Street sites - Concrete pours

- Large continuous concrete pours will occur at the La Trobe Street and Little La Trobe Street sites
- A concrete pump will be temporarily installed on Little La Trobe Street, adjacent to the Little La Trobe Street site from 7am to 6pm on Monday 27 July and Tuesday 4 August (refer to map)
- To accommodate the temporary concrete pump, sections of Little La Trobe Street will be closed to motorists during these works (refer to map)
- Concrete pours must be continuous to ensure structural integrity and therefore will take place within the La Trobe and Little La Trobe Street sites from 7am until 10pm
- Following the completion of concrete pours, concrete finishing works will take place at the La Trobe Street site from 10pm to 6am as required

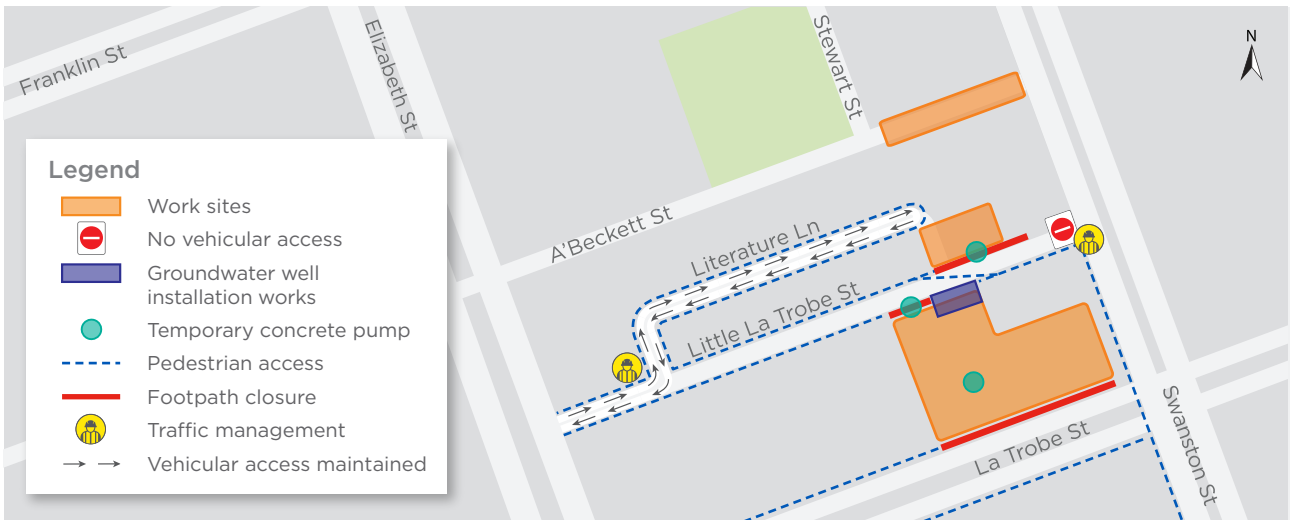

- Concrete pours and concrete finishing works will require the use of concrete trucks, a concrete pump, concrete vibrators, hand tools, and concrete finishing equipment
- These works are expected to generate medium levels of noise.

Little La Trobe Street - Groundwater well installation

- Works to complete the installation of a groundwater well on Little La Trobe Street will take place from 8am to 8pm on Sunday 26 July (refer to map)
- During these works sections of Little La Trobe Street will be closed to motorists
- These works will require the use of a drill rig and truck and are expected to generate medium levels of noise.

What to be aware of

- During the closures, Little La Trobe Street and Literature Lane will be accessible via Elizabeth Street (refer to map)
- Access to businesses and residential buildings will be maintained at all times
- Traffic management will be in place during works to safely guide pedestrians, cyclists, and motorists around the work area.
