

MELBOURNE METRO RAIL PROJECT ENVIRONMENT EFFECTS STATEMENT
INQUIRY AND ADVISORY COMMITTEE

MMRA TECHNICAL NOTE

TECHNICAL NOTE NUMBER: 010

DATE: 26/07/2016

PRECINCT: CBD North

MAP BOOK REFERENCE: Map 7 (Horizontal Alignment Plans – construction phase)

SUBJECT: Additional construction area in Franklin Street (east) between Swanston Street and Victoria Street

NOTE:

1. The Concept Design involves construction of shafts in Franklin Street on both the east and west sides of Swanston Street.
2. The EES Map Book shows the shaft in Franklin Street on the west side of Swanston Street with an adjacent area further to the west demarcated as a temporary construction work site. This area is required to support the construction of the shaft.
3. A temporary construction work site is also required to support the construction of the shaft in Franklin Street on the east side of Swanston Street, between Bowen Street and Victoria Street. The temporary construction work site would be within the station precinct boundary.
4. Managed vehicular access would be provided to the RMIT loading area under Building 14.

ATTACHMENTS:

A: Annotated Map 7 (construction phase) showing the additional proposed temporary construction work site on Franklin Street
