

WORKS NOTIFICATION

NICHOLAS BUILDING SEPARATION WORKS, TOWN HALL STATION 21 SEPTEMBER TO MID DECEMBER

Major construction on the Metro Tunnel Project is continuing at the site of the new Town Hall Station at the southern end of Swanston Street in the CBD.

What we are doing

Works are continuing to separate the Nicholas Building from the former KFC building, this will include installation of a protection gantry (overhead structure) along Cocker Alley, Flinders Lane and Swanston Street prior to demolition of the building.

Day works

Cocker Alley and Flinders Lane

When

- 21 September to mid October
- 7am – 6pm, Monday to Fridays
- 8am – 5pm, Saturdays and Sundays.

What you should be aware of

- Installation of the gantry is expected to generate low to medium levels of noise with the use of hand tools and delivery trucks
- Traffic management will be in place to direct traffic and pedestrians around these works
- There will be weekend closures of Flinders Lane to vehicles from 8am - 5pm, 21 to 22 September and 6 to 7 October to install safety barriers in the side parking lane and erect the gantry
- Various tools will be required to dismantle the former KFC building down to ground level behind the protection hoarding. There will be periods of medium to high level noise associated with this activity.

Night Works

Swanston Street

When

- 6pm – 7am, Sunday 23 to Monday 8 October
- Works will take place on Sunday to Thursday nights during these dates.

All reasonable efforts will be made to complete the works ahead of schedule, subject to weather and ground conditions.

What you should be aware of

- These works are expected to generate low to medium levels of noise during installation of the gantry and tree trimming
- There will be localised footpath closures on Swanston Street at the works location, traffic management will be in place to direct pedestrians
- Access to shops will be maintained at all times
- Tree trimming will take place to facilitate the installation of a section of gantry on Flinders Lane
- These activities are scheduled to take place at night to minimise disruption to pedestrians.
