

WORKS NOTIFICATION

GROUNDWATER MONITORING UPDATE LATE NOVEMBER - MID DECEMBER

Major works on the Metro Tunnel are underway to support construction of the new State Library Station at the northern end of Swanston Street in the CBD.

Further to the groundwater monitoring works notification distributed on 24 October, please be advised that additional night works between late November and early December are required to complete this stage of groundwater monitoring works.

Night works

Victoria and Therry Street intersection

What we are doing

- Inserting tubing between the recently installed pipes and pits
- Well cleaning and pump installation.

When

- 7pm - 6am, Wednesday 21 to Friday 23 November and from Sunday 25 to Friday 30 November 2018.

What to be aware of

- Therry and Victoria Street intersection works will generate low to medium periods of noise
- Therry Street will be closed to traffic from Victoria Street during night work hours. Access to Therry Street will be maintained via Elizabeth Street.

Victoria Street, between Bouverie Street and RMIT Building 100

What we are doing

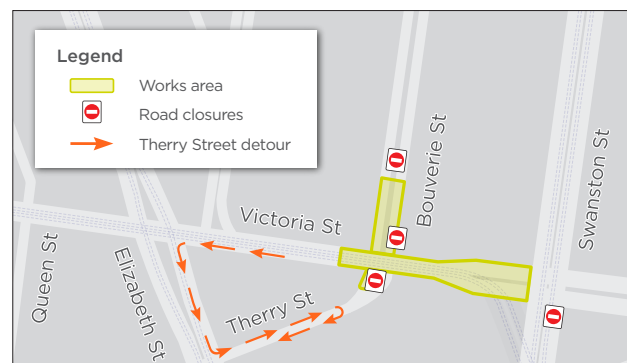

- Moving concrete barriers north of the Bouverie Street intersection
- Using a road profiling machine to prepare the road surface for asphaltting
- Asphaltting the road surface
- Line marking
- Cutting the signal loops and reinstating traffic signals at the Victoria and Bouverie Street intersection.

When

- 5pm - 12am, Sunday 2 December
- 7pm - 5am, Monday 3 to Wednesday 5 December 2018.

What to be aware of

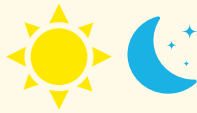

- At the completion of these works, access to Bouverie Street via Victoria Street will be open.

Indicative only.

Day works / Night works

Victoria Street, between RMIT Building 100 and Swanston Street

What we are doing

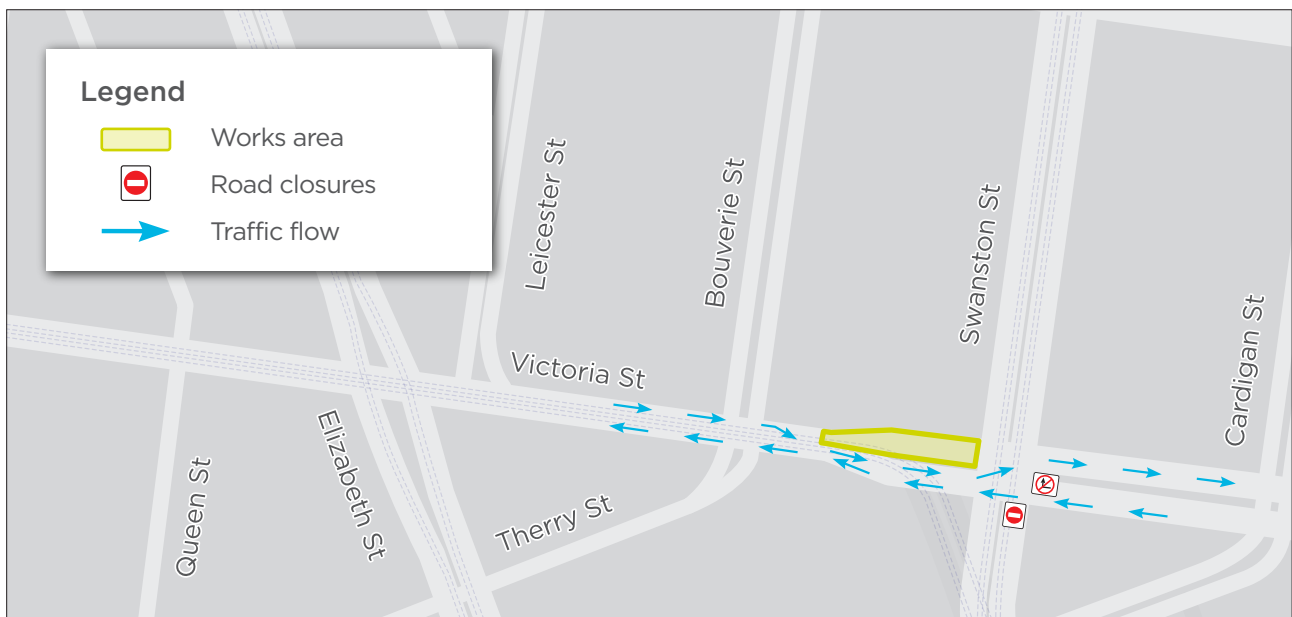

- Removing site amenities from Victoria Street
- Using a road profiling machine to prepare the road surface for asphaltting
- Removing concrete barriers
- Asphaltting the road surface
- Line marking
- Cutting the signal loops and reinstating traffic signals at the Victoria and Swanston Street intersection.

When

- 7am – 6pm, Thursday 13 to Saturday 15 December
- 5pm – 6am, Sunday 16 December to Tuesday 18 December 2018.

What to be aware of

- Reinstatement works on the eastbound lanes of Victoria Street will be required to take place overnight, outside of peak time, to minimise disruption to motorists in the area
- An eastbound and westbound traffic lane will be maintained during works
- Works are expected to generate periods of medium to high level noise during night reinstatement works
- Active traffic management will be in place at all times to safely guide pedestrians, cyclists and vehicles around the work.

Indicative only.
