

WORKS NOTIFICATION

SEWER RELOCATION – LITTLE LA TROBE STREET, CBD PRECINCT

18 MARCH – 3 MAY 2019

Major works on the Metro Tunnel are underway to support construction of the new State Library Station at the northern end of Swanston Street in the CBD.

Before excavation commences at the Little La Trobe shaft site, works are required to relocate the sewer under Little La Trobe Street and Literature Lane, between Monday 18 March and Friday 3 May 2019.

What we are doing

Work to relocate underground sewer services along Little La Trobe Street. This involves:

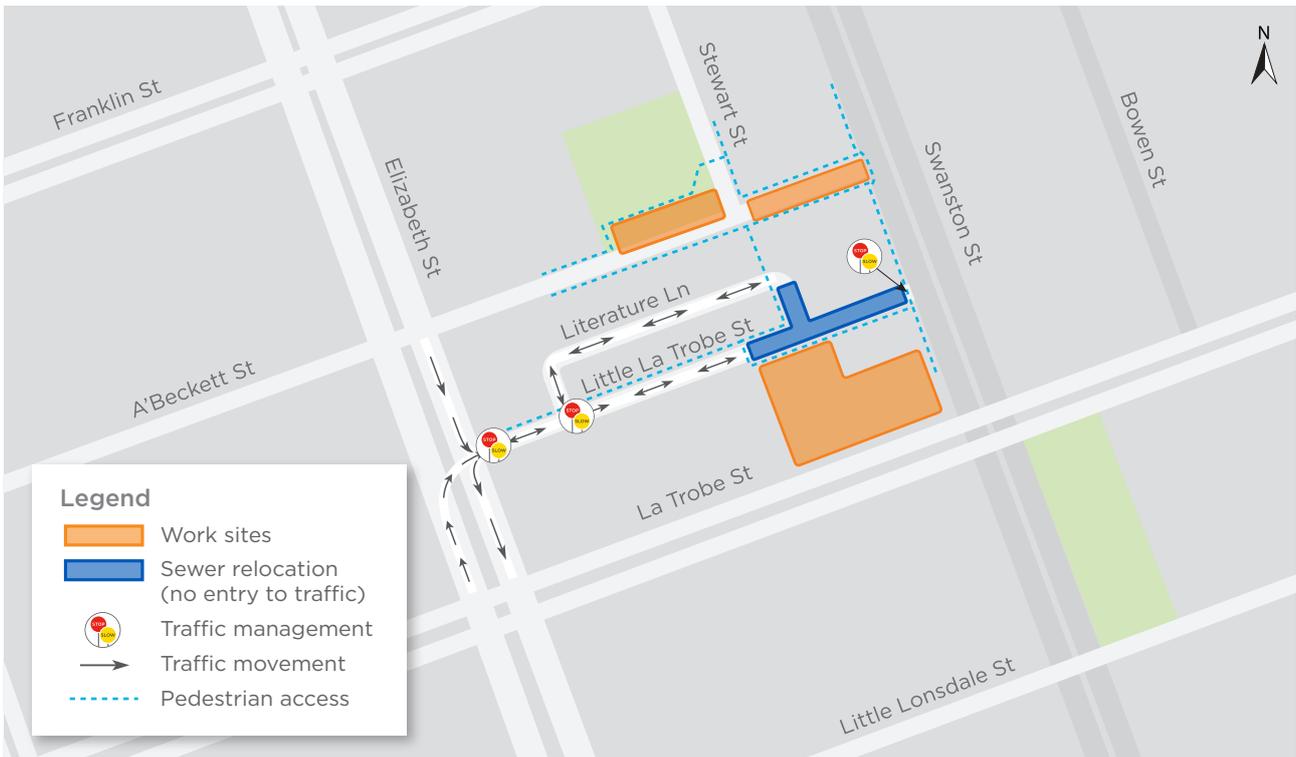

- Setting up traffic controls to guide motorists, pedestrians and cyclists around the work site (access to Little La Trobe St for motorists will be maintained via Elizabeth Street)
- Excavating trenches
- Boring a new sewer line
- Installing pipes and pits
- Backfilling trenches
- Installing steel plates on the road at the end of each shift
- Reinstating the road.

When

- 3pm – 10pm, Monday to Friday
- 7am – 6pm, Monday 1 April 2019
- There will be no works carried out on weekends or between the period of 19 April to 28 April.

What to be aware of

- These works need to occur outside of standard construction hours to minimise impacts to traffic and local operations
- During works, access to Little La Trobe Street and Literature Lane will be via Elizabeth Street (refer to map overleaf)
- Traffic management will be in place to safely guide pedestrians, cyclists and motorists around the work area
- There will be high levels of noise during ground breaking and boring works
- Steel plates will be installed over the road at the end of each shift, and traffic will be maintained outside of working hours.

Indicative only
