

24/7 CONSTRUCTION WORKS IN OCTOBER

Major construction is continuing in the Domain Precinct at the site of the future Anzac Station as part of the Metro Tunnel Project.

From the evening of Sunday 13 October, until Sunday 27 October, buses will be replacing trams along St Kilda Road between the Shrine of Remembrance (stop 19) and Commercial Road (stop 25).

During this period, St Kilda Road will remain open to vehicles and cyclists, but buses will replace trams.

Construction works will be undertaken 24/7 to minimise the amount of time that buses are replacing trams.

While every effort will be made to minimise the impact on the community, it is anticipated that there will be periods of high level noise in the area.
