

Works Notification

Concrete Pump Installation Little La Trobe Street, Melbourne

September - October 2020

Major works on the Metro Tunnel are underway to support construction of the new State Library Station at the northern end of Swanston Street in the CBD.

Works to install a concrete pump on Little La Trobe Street will commence on Tuesday 22 September to facilitate construction of the new State Library Station.

What we are doing

- Service scanning using hand wands
- Installing water-filled barriers, bollards, and hoarding using a mobile crane, semi-trailer, concrete core drill and hand tools
- Installing culverts and concrete lines under the road surface using a saw cutter, asphaltting machine, a non-destructive digging truck, an excavator, and trucks to remove excavated material
- Line marking works on Little La Trobe Street using a line marking machine and hand tools
- Installing a concrete washout gantry on Little La Trobe Street using a mobile crane, an elevated works platform, a rattle gun and small hand tools
- Delivering and installing a concrete pump on Little La Trobe Street using a truck, mobile crane, and hand tools.

What you should be aware of

- Works to install a concrete pump will take place at Little La Trobe Street. The concrete pump will facilitate the high volumes of concrete required for the construction of the new State Library Station
- During these works, Little La Trobe Street and Literature Lane will only be accessible to motorists via Elizabeth Street (refer to map)
- Access to the Aurora Building will be via Elizabeth Street (refer to map)
- Deliveries, pickups and drop offs to the Scape building and businesses on Swanston Street north of La Trobe Street will be maintained via Swanston Street
- From 6pm on Saturday 26 September to 7am on Tuesday 29 September there will be no works taking place and access to Little La Trobe Street and Literature Lane will be under the usual traffic arrangement (enter from Swanston Street and exit via Elizabeth Street) for all motorists
- For safety reasons, there will be intermittent holding of pedestrians during lifts over Little La Trobe Street
- A pedestrian detour will be in place during concrete line installation works (refer to map)

Construction partner:

- Local access for residents and businesses will be maintained at all times
- Traffic management will be in place during works and as required, to safely guide pedestrians, cyclists, and motorists around the work area
- These works are expected to generate medium to high levels of noise
- The concrete pump will remain in place for about three years.

Please also be advised

The eastbound lane on La Trobe Street is currently closed between Elizabeth and Swanston streets from 7am to 6pm, Monday to Fridays, and from 7am to 1pm on Saturdays.

For your safety, please follow the detour signs in place.

Concrete line installation works:

Pedestrian detour in place

From 7am Tuesday 29 September to 6pm Friday 2 October 2020.

Little La Trobe Street Motorist access during concrete pump installation works

Indicative only.

Health and safety

The Metro Tunnel Project is a Critical State Infrastructure Project under Stage 4 restrictions, allowing work to continue with strict health and safety measures in place.

The health and safety of our workers and the community is our key priority and we have measures in place to protect the safety of our construction workforce, including temperature screening, additional protective equipment including masks, daily health screening of workers, enhanced cleaning, staggered shifts and break times, and physical distancing. Our workforce numbers across Victoria's Big Build have already been significantly reduced to support directions from the Chief Health Officer, and we are continuing to manage the number of staff and visitors attending our worksites.

For more information about coronavirus (COVID-19), please visit <http://coronavirus.vic.gov.au>.

Keeping you informed

To help support the Victorian Government's stage 4 coronavirus (COVID-19) restrictions while still making sure people know what's happening in their area, we've temporarily changed the way we'll notify you about upcoming works.

We are using the electronic distribution and post instead of hand delivering information into your letterbox at this time.

Please sign up to our email updates via the Metro Tunnel Project website www.metrotunnel.vic.gov.au so we can continue to keep you informed about works in your area.
