## Signage installation and linemarking works

St Kilda Road, Domain Precinct

Wednesday 3 February 2021

Major construction is continuing in Domain at the site of the future Anzac Station as part of the Metro Tunnel Project.

### What we are doing

- Installing new linemarking at the new Anzac Station site gate on St Kilda Road southbound to allow trucks to exit the site

### What you should be aware of

- During the work, the temporary closure of St Kilda Road southbound is required between Dorcas Street and Toorak Road. A detour will be in place via Dorcas Street and Kings Way (see map)
- The temporary road closure will be managed on site by traffic control
- For the duration of the St Kilda Road

southbound closure, cyclists will be required to dismount and walk their bikes between Park Street and Domain Road

- Pedestrian access will not be affected by these road closures
- Local driveway access will be maintained at all times during these works.

### When

9am to 3pm, Wednesday 3 February 2021

Indicative only

## Health and safety

Metro Tunnel Project works are progressing safely under the current Third Step restrictions in metropolitan Melbourne.

You may notice an increase of workers on Victoria's Big Build projects as restrictions on construction sites start to ease. Large-scale public infrastructure projects are critical and strict COVIDsafe Plans are in place on all project sites across Victoria.

The health and safety of our workforce and community remains our top priority. Workers on all of Victoria's Big Build sites are required to wear face masks unless they meet any of the criteria for exception – such as a medical condition for Occupational Health and Safety guidelines. Physical distancing measures are in place as well as increased hygiene practices.

For more information and advice about the coronavirus (COVID-19), please visit <http://coronavirus.vic.gov.au>.
