

# Works Notification

## Traffic update

### Derby Street, Kensington

Week commencing 15 February 2021

To improve the road safety along Derby Street, works will be undertaken to install additional line markings while Childers Street is closed to over-height vehicles.

#### What we are doing

- Marking a dividing line along Derby Street, between Kensington Road and Tennyson Street
- Line marking to designate existing parking bays along Derby Street, between Kensington Road and Hampden Road.

#### When

- 7am to 6pm, Monday 15 to Friday 19 February 2021
- Works are expected to commence on Monday 15 February, subject to weather conditions. Works will be staged across two days, to minimise temporary impacts to on-street parking.

#### What you should be aware of

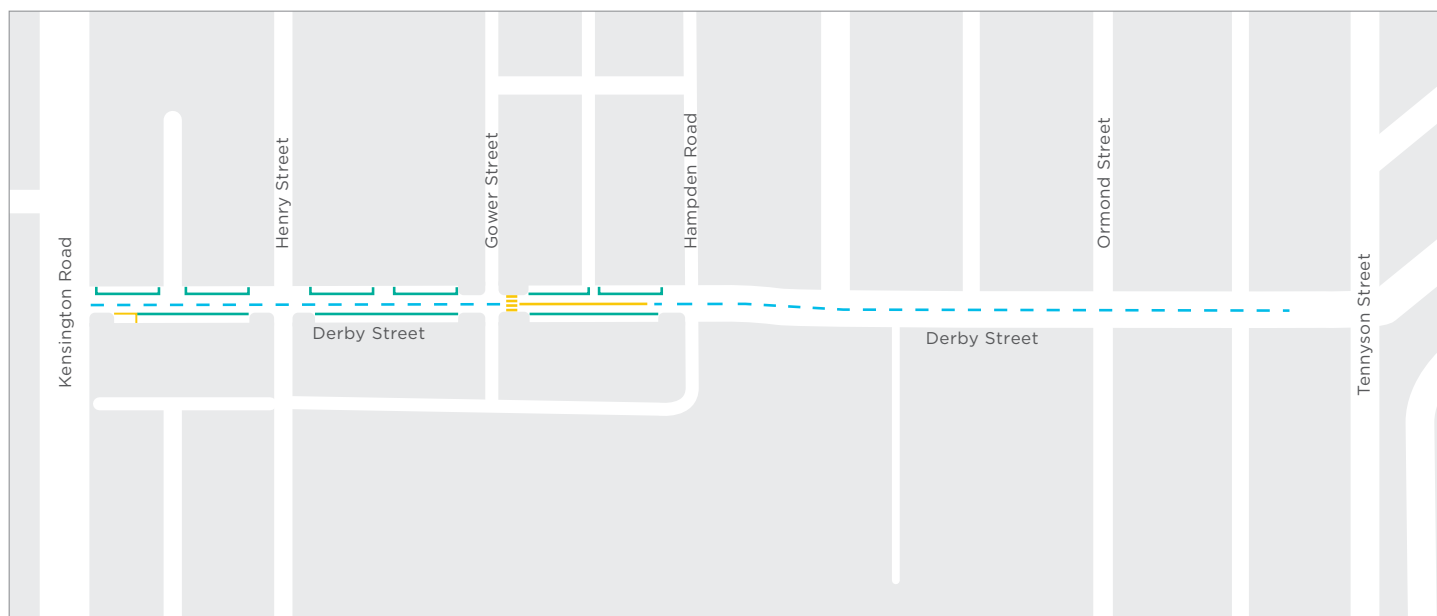

- Line marking works will be undertaken in sections, with the use of handheld tools
- A short term closure of up to 20 car parking spaces for two days will be required to allow line marking works to occur. There will be no changes to existing parking availability following these works
- Traffic controllers will be in place to assist with traffic movements
- Line marking works are expected to generate low levels of noise
- If you have any questions regarding these works, please call **1800 105 105**.

#### Health and safety

Works on the Metro Tunnel Project are progressing with strict COVIDsafe plans in place.

The health and safety of our workforce and community remains our top priority.

For more information and advice about the coronavirus (COVID-19), please visit [coronavirus.vic.gov.au](https://coronavirus.vic.gov.au).
