

# Works Notification

## Out of hours works and temporary parking removal Osment Street, Armadale

**Tuesday 24 August to Monday 30 August**

As part of the Metro Tunnel rail corridor upgrades, temporary car park closures along Osment Street is required to support works within the corridor while trains are not running.

### What we are doing

#### Day works

- Non-destructive digging (NDD) to investigate existing underground services and installing rail service pits
- NDD uses pressurised water to dig and then vacuum up the soil without damaging existing assets and services located underground
- Works will require the use of an NDD truck and crews with hand tools.

#### 24-hour rail works

- Constructing overhead structure foundations, installing overhead structure, signalling cable assets, retaining walls, underground cable services and conduits within the rail corridor between South Yarra and Caulfield stations
- Works will require the use of elevated work platforms, generators, an NDD truck to locate and expose underground services, cranes, excavators, concrete pumps and crews with hand tools.

### When

#### Day works

- 7am to 6pm, Tuesday 24 August to Friday 27 August.

#### 24-hour rail works

- 8pm Friday 27 August to 3am Monday 30 August.

#### Temporary parking removal on Osment Street

- 6pm Thursday 26 August to 7am Monday 30 August.

### What you should be aware of

- These works are expected to generate medium to high levels of noise
- Some parking will be temporarily unavailable along Osment Street to ensure delivery activities are undertaken safely and efficiently. Additional truck movements will be required during this time
- Traffic management will be in place to facilitate local vehicles entering and exiting the road. Local residential access will be maintained during this time
- Generator-powered lighting towers are required while we complete night works. Where possible, lights will be positioned to face away from residential properties and noise reduction mats will be placed around generators.

### Health and safety

Works on the Metro Tunnel project are progressing with strict COVIDsafe plans in place.

The health and safety of our workforce and community remains our top priority.
