

WORKS NOTIFICATION

NICHOLAS BUILDING SEPARATION AND TRAM POLE INSTALLATION WORKS, TOWN HALL STATION

29 OCTOBER TO 22 NOVEMBER

Major construction on the Metro Tunnel Project is continuing at the site of the new Town Hall Station at the southern end of Swanston Street in the CBD.

What we are doing

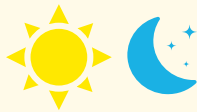

Works to separate the former KFC building from the Nicholas Building will require extended working hours. Works will include jack hammering the concrete columns, welding and removing the columns within the KFC building.

What we are doing

We will be installing four tram poles on Swanston Street. Works will include tree trimming, service proving, excavation and installing new poles on the east and west footpaths.

Day Works / Night Works

Swanston Street (near corner of Flinders Lane)

When

- Monday 29 October to Friday 2 November
- Thursday 8 November to Saturday 17 November
- 7am - 10pm Mondays to Fridays
- 7am - 5pm Saturdays.

Please be advised no works will take place between Saturday 3 November to Wednesday 7 November.

What to be aware of

- These works are expected to generate medium to high level noise within the Nicholas Building
- Surrounding buildings can expect low to medium level noise as works are contained within the KFC building
- Following the completion of these works, demolition of former KFC building will commence and is expected to take up to five weeks. Demolition works will occur during normal construction hours.

Works are undertaken in line with relevant environmental performance requirements. Specialist equipment is in place to monitor sound, vibration and dust levels to ensure they comply with these guidelines and every effort is made to minimise construction impacts during the works.

Night Works

Swanston Street (between Flinders Street and Flinders Lane)

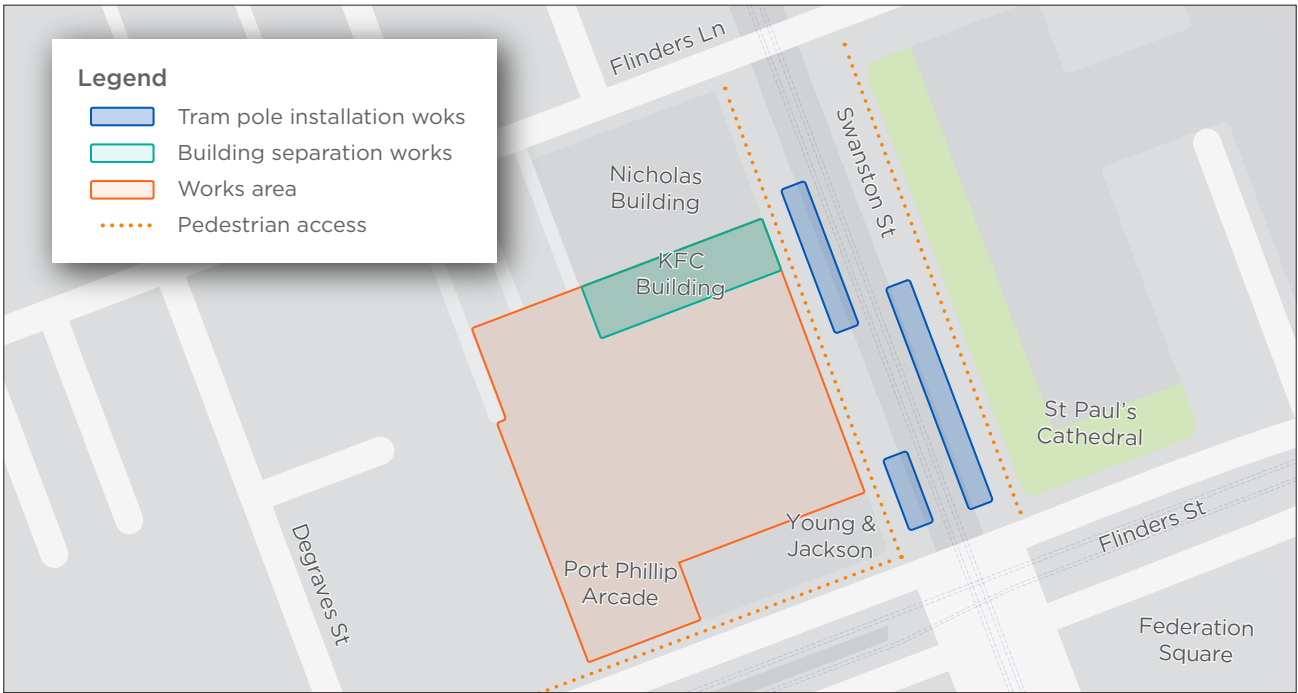

When

- 6pm - 7am, Saturday 11 to Thursday 22 November. Six nights of work will be required during this period.

All reasonable efforts will be made to complete the works ahead of schedule, subject to weather and ground conditions.

What to be aware of

- These works are expected to generate medium to high levels of noise
- Traffic management will be in place to safely direct pedestrians around the work area
- This activity is scheduled to take place at night to minimise disruption to pedestrians
- Access to private properties and businesses will be maintained at all times.

Indicative only.
