

WORKS NOTIFICATION

INSTALLATION OF NEW POP-UP PARK ON DOMAIN ROAD FROM 25 NOVEMBER 2019

The Metro Tunnel Creative Program is trialling a pop-up park to enhance Domain Road and support local businesses, residents and visitors.

What to be aware of

The design of the park reflects feedback from the local community and includes wooden decking, outdoor seating and plants reflective of the aesthetic of the nearby gardens. It will allow people to enjoy this beautiful part of Melbourne and the participating restaurants while sitting outside in the summer months in pleasant surrounds.

The structure will take up nine car spaces for a period of 5-months located in front of the following businesses - Domain Brasserie, Bacash, Gilson and the Botanical.

The pop-up park will be managed by the Metro Tunnel Creative Program.

When

The park has been built offsite to minimise disruption and will be installed from 25 November 2019. Installation will take up to two weeks.

Planting will occur once the structure is installed and is expected to take an additional week.

The park is expected to be operational from December 2019.

More information

For any further questions or to provide feedback on this initiative please contact the Metro Tunnel Creative Program at metrotunnel.vic.gov.au/creativeprogram.

It should be noted that this information is current at the time of printing, however due to unforeseen circumstances, changes may occur.
