

WORKS NOTIFICATION

LA TROBE STREET SITE APRIL 2020

To facilitate the construction of the future State Library Station a tower crane has been installed at the La Trobe Street site. Top down construction will soon commence with excavation of an approximately 40-metre-deep shaft.

What we are doing

- Continuing piling and plunge column installations using a crawler crane, tower crane, piling rig, excavator and trucks
- Commencing shaft excavation using excavators
- Levelling piles using jackhammers and hand tools
- Constructing ground floor slabs using a concrete pump and excavators

When

- 7am to 10pm Monday to Fridays, ongoing
- 7am to 6pm Saturdays, ongoing

What to be aware of

- Works are expected to generate medium to high levels of noise
- Noisier works will be completed before 9pm on weeknights where possible
- Local access for residents and businesses will be maintained at all times.

Health and safety

The health and safety of our workers is our key priority as we continue to deliver the Metro Tunnel Project, as is supporting social distancing measures in line with current health advice.

We have strict protocols in place to protect the safety of our construction workforce, including enhanced industrial cleaning arrangements, provision of personal protective equipment and measures to reduce staff contact, including staggered shifts.

For more information and advice about the outbreak of Coronavirus, please visit coronavirus.vic.gov.au.

To ensure you are up to date with any future development on the delivery of the project, we encourage you to sign up for electronic updates via the Metro Tunnel website. <https://metrotunnel.vic.gov.au/contact/enews>

The tower crane recently installed at the La Trobe Street site (pictured left) will help facilitate construction of the future State Library Station.
