

# Works Notification

## Sunshine Signal Control Centre update

Derby Road, Sunshine

**14 August to 31 December 2020**

Construction of the Sunshine Signal Control Centre is continuing with the internal fit-out of the building starting in August.

### Construction snapshot

Works completed at the Sunshine Signal Control Centre in 2020 include:

- Private access road construction
- Car park construction
- Lighting installation
- Concrete foundation slab construction
- Structural steelwork erection
- Roofing and wall installation.

### What we are doing

From August works will predominately be inside of the building and will include:

- Door and window installation
- Plaster works
- Office/amenity works
- Joinery, internal wall and partition fit out
- Service installation
- Building finishes
- Painting, tiling and flooring
- Equipment being used will include power tools, hand tools, scissor lift, vertical lift, boom lift, forklift and a generator.

### When

- 7am to 9pm, Monday to Friday
- 7am to 5.30pm, Saturdays
- 8am to 5.30pm, Sundays.

### What you should be aware of

- Work hours have been extended to 9pm Monday to Friday and 5.30pm Saturdays and Sundays
- This will allow staggered work shifts to better accommodate social distancing requirements
- These works are expected to generate low levels of noise
- Increased vehicle movements on site and around Hampshire and Derby roads, Sunshine
- This site will also be used as a site office and for storage of construction materials and equipment.

### Health and safety

The health and safety of our workers and the community is our key priority as we continue to deliver the Metro Tunnel Project, as is supporting physical distancing measures in line with current health advice.

We have strict protocols in place to protect the safety of our construction workforce, including enhanced industrial cleaning arrangements, provision of personal protective equipment and measures to reduce staff contact, including staggered shifts.
