

WORKS NOTIFICATION

HOBSONS ROAD SITE CLEARING, KENSINGTON 11 AUGUST - 1 SEPTEMBER 2018

Works in preparation for major construction of the Metro Tunnel's western tunnel entrance are continuing in Kensington.

Prior to the next phase of works on the Metro Tunnel's western tunnel entrance, clearing works will be undertaken at the site on the corner of Hobsons and Kensington roads. Asbestos has been identified on this site and its removal will be undertaken by a Class A licensed contractor.

The works to be undertaken are:

- Fencing and securing of the heritage buildings' entrances
- Removal of site debris, some containing non-friable asbestos
- Removal of vegetation.

When

- Saturday 11 August to Saturday 1 September 2018
- 7am - 6pm, Monday to Sunday.

What to be aware of

- Some works need to be undertaken after 1pm on Saturdays and on Sundays to help manage access arrangements for businesses sharing the driveway located to the west of the site

- Traffic management will be in place along the shared driveway to facilitate access to businesses
- Excavators, a tipper and loader will be used to undertake the works
- These works are expected to generate low to medium levels of noise.

Asbestos removal

Appropriate management measures will be employed during the removal of the asbestos.

These include:

- All associated works will be undertaken by a Class A licensed contractor, in accordance with WorkSafe Victoria's Compliance Code 2008 for Removing Asbestos in Workplaces
- Air monitoring will be undertaken by an independent hygienist to ensure daily action monitoring levels are monitored to ensure public safety
- Exclusion zones will be set up around the asbestos removal area.

Indicative only.
