

WORKS NOTIFICATION

OUT OF HOURS WORKS WEST FOOTSCRAY

FEBRUARY 2019

Further to the January works notification, this is an update on upcoming out of hours works, including additional upcoming works. Works are required in the rail corridor at West Footscray station to identify the location of underground services and prepare the area to build a new platform and track.

What we are doing

Site establishment

- Installing temporary fencing to separate workers from operating trains.

Signalling upgrades

- Installing new signalling equipment using a small digger.

Rail corridor site preparation and service investigations

- Working on the existing overhead wiring network with hand tools
- Installing signal gantry foundations
- Upgrading existing rail sleepers
- Non-destructive digging (NDD) to investigate ground conditions and to confirm the area is free of underground services.

When

Site establishment

- 7pm Saturday 9 to 7am Sunday 10 February
- 11pm Saturday 16 to 7am Sunday 17 February.

Signalling upgrades

- 11pm Saturday 16 to 7am Sunday 17 February.

Rail corridor site preparation and service investigations

- 24 hour works, 9pm Saturday 23 to 4am Monday 25 February.

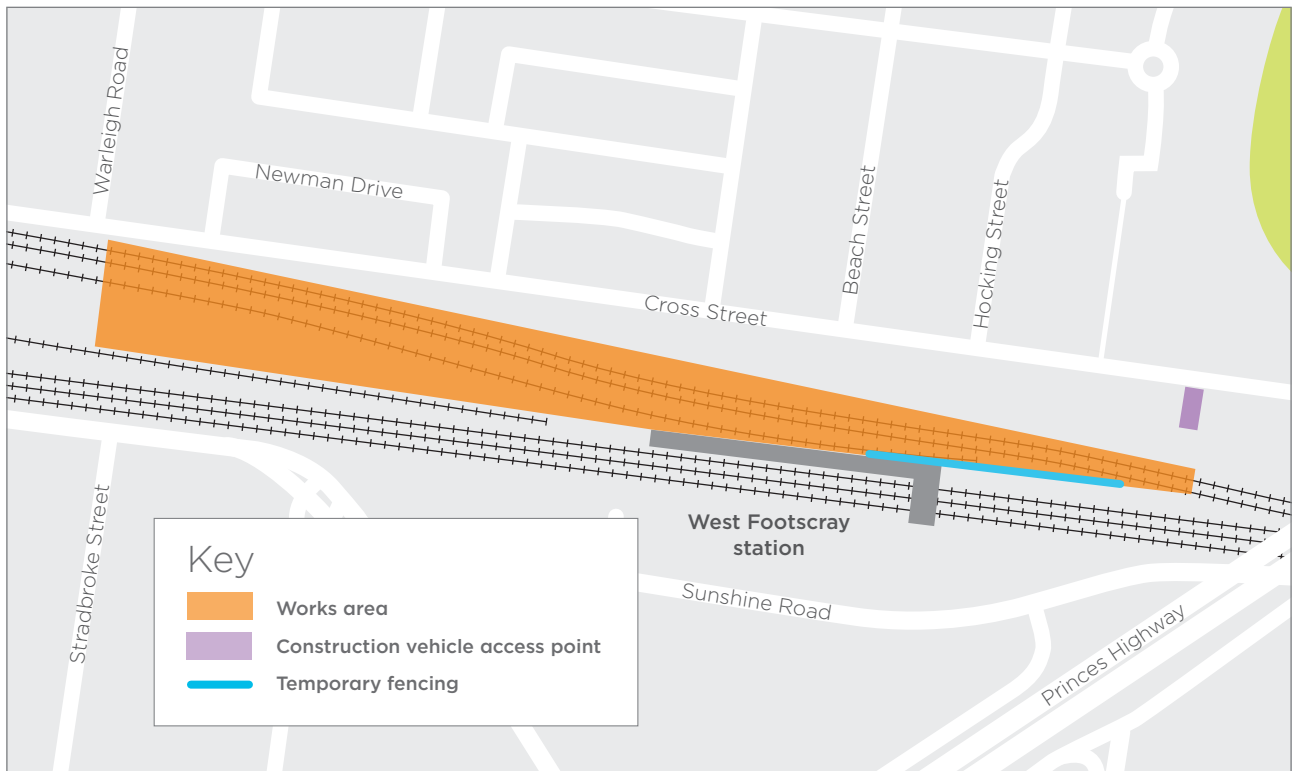

What to be aware of

- To ensure the safety of passengers and our workers, these activities can only be performed safely when trains are not operating
- The works are expected to generate periods of medium to high level noise during NDD activities. All other activities are expected to generate low levels of noise
- The works are expected to generate low levels of vibration
- Use of light towers will be required. We will position lights so they face away from residential properties, where possible
- Construction vehicles will be accessing the rail corridor via Cross Street (opposite Whitten Oval) see map overleaf
- To minimise disruption to the local community and rail users, important Metro Trains Melbourne maintenance works will also be carried out at this time. For more information on these works visit: metrotrains.com.au.

Travel Changes

So the 24 hour works from Saturday 23 to Monday 25 February can take place safely, buses will replace trains on the Werribee, Williamstown and Sunbury lines. These disruptions will take place outside of peak times.
