

# Works Notification

## Relocatable equipment building preparation works Normanby Road, Caulfield

**Monday 19 to Friday 30 July 2021**

Preparation works to install the future relocatable equipment building (REB) are progressing. Works to install the safety handrails, staircase, fencing and connecting drainage for the future REB will commence in mid-July.

### What we are doing

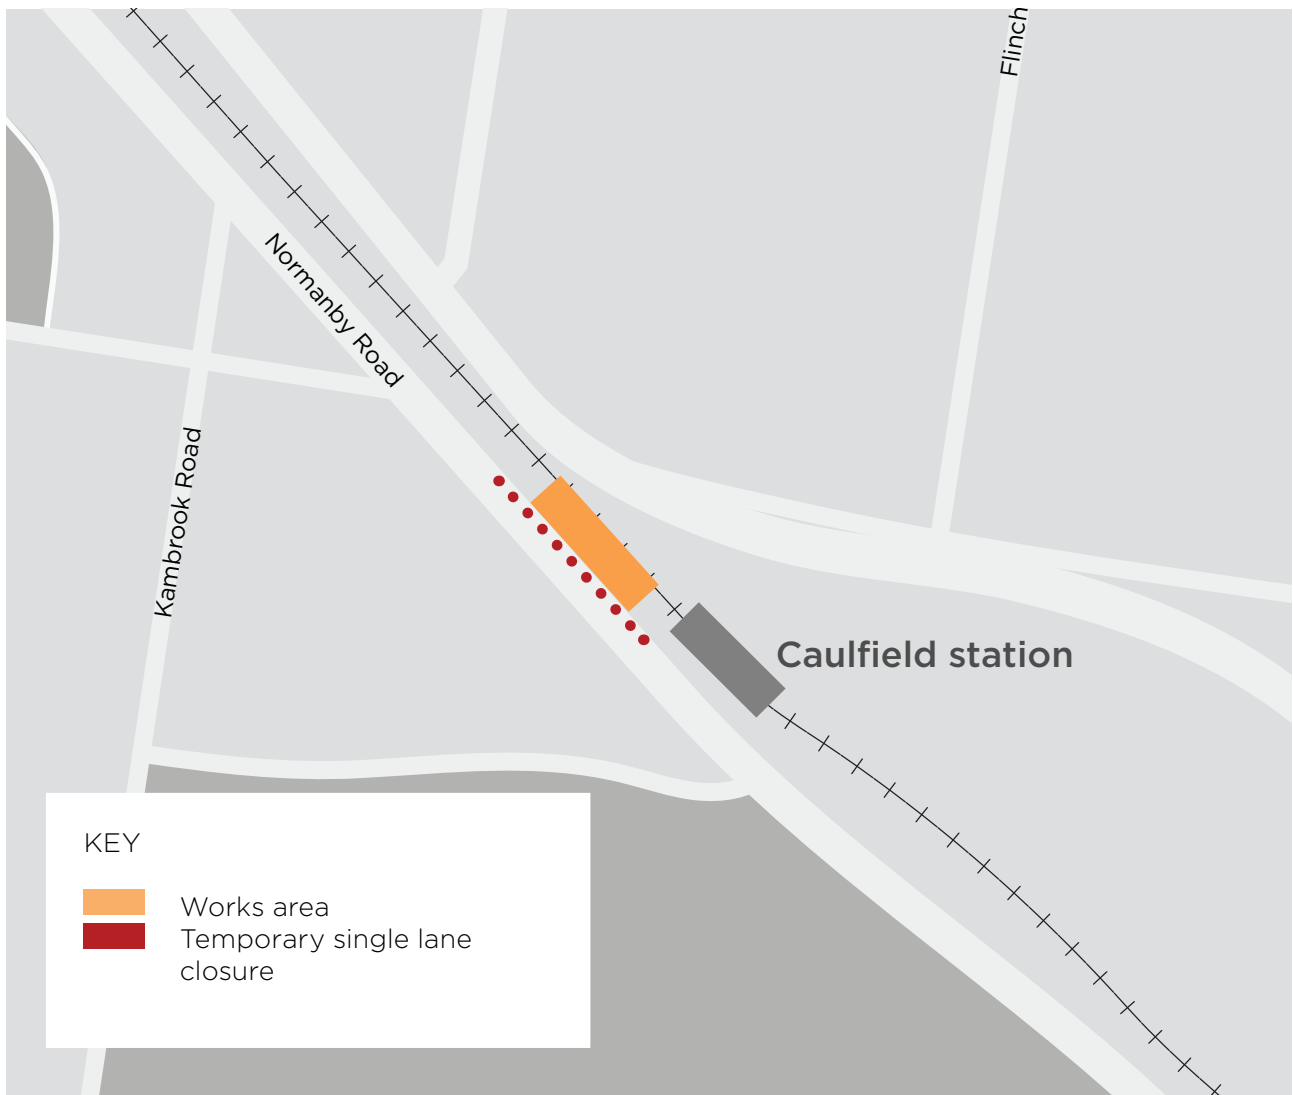

- Installing safety handrails, staircase, fencing and connecting drainage for the future REB
- Works will involve an excavator, a concrete pump, trucks, a non-destructive digging truck to locate any existing underground services without damaging them and crews with handtools
- The REB will be pre-constructed off-site before it is delivered to the site
- Further information about works to deliver and install the REB will be provided closer to the date.

### When

- Monday 19 to Friday 30 July
- Monday to Friday
- 7am to 6pm.

### What you should be aware of

- Works are expected to generate medium to high levels of noise
- There will be some additional truck movements to deliver materials to the site while we undertake these works
- To ensure works are undertaken safely and efficiently, a single lane along Normanby Road will be temporarily unavailable during these times
- Traffic management will be in place along Normanby Road to facilitate local traffic
- Power generated light towers may be required during works. Where possible, they will be positioned to face away from residential properties.

### Health and safety

Metro Tunnel works are progressing safely under the current circuit breaker coronavirus (COVID-19) restrictions in Victoria.

Construction is an authorised industry and COVIDsafe Plans are in place on all our project sites. The health and safety of our workforce and community is our top priority.

Workers on all of Victoria's Big Build sites are currently required to wear face masks unless they meet any of the criteria for exception - such as a medical condition or to meet Occupational Health and Safety guidelines.

Physical distancing measures are in place, as well as increased hygiene practices.

For more information and advice about the coronavirus (COVID-19), please visit [coronavirus.vic.gov.au](https://www.coronavirus.vic.gov.au).
