

## WORKS NOTIFICATION

### NIGHT WORKS TOORAK ROAD TO HAWKSBUURN STATION **TUESDAY 3 TO FRIDAY 6 DECEMBER 2019**

We would like to remind you of upcoming night works that will take place within the rail corridor between Toorak Road and Hawksburn station. Works will involve the installation of new overhead structures and cable upgrades, as well as delivery of new rail track which will be stored within the rail corridor.

#### What we are doing

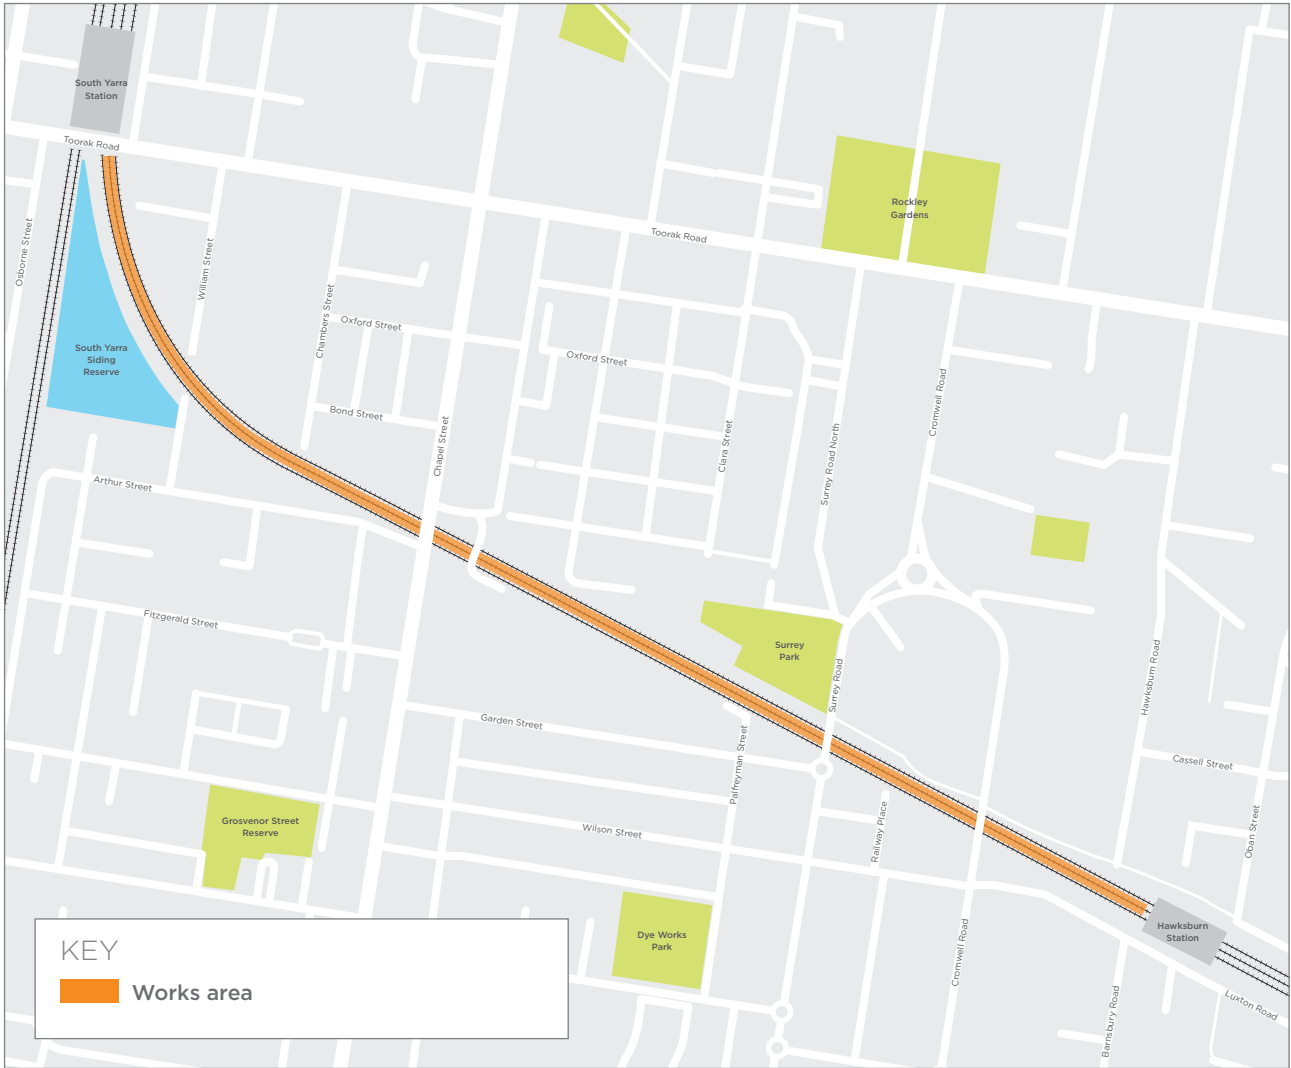

- Installing new overhead structures and ongoing cable upgrades between Toorak Road and Hawksburn station
- Running cables through new conduits and overhead structures
- A work crew will use a small crane and hand tools to install the structures
- New rail track will be delivered via train to South Yarra and unloaded in the rail corridor. The track will then be moved and stored in several locations between Toorak Road and Hawksburn station.

#### When

- Tuesday 3 to Friday 6 December
- Night works, beginning at 9pm and finishing by 4am.

#### What to be aware of

- The overhead structure works are expected to generate low to medium levels of noise
- Works associated with the rail delivery are expected to generate medium levels of noise with some periods of high-level noise
- These works will be completed under directional lighting to ensure the safety of our workers. Every effort will be made to direct these lights away from homes.
