Shared User Path Closure and Out of Hours Works between Caulfield Station and Sandown Park

1 March to 30 April 2021

Construction continues on the Pakenham/Cranbourne line between Caulfield Station and Sandown Park, to install next-generation High Capacity Signalling trackside equipment and signalling technology as part of the Metro Tunnel.

What we are doing

- Trenching
- Installing pits and pipe
- Installing foundations and new trackside equipment
- Cable pulling
- Lifting and installing steel framework on to the viaduct
- Soil sampling
- Non-destructive digging
- Backfilling
- Tree pruning
- Pouring concreting foundations
- Boring
- Reinstating sections of the shared user path.

When

Day works:

Monday 1 March to Friday 30 April 2021:

- 7am to 6pm, Monday to Friday
- 7am to 1pm, Saturdays.

Night works (9pm to 4am):

Monday 15 to Friday 19 March 2021

Monday 22 to Friday 26 March 2021

Monday 29 March to Thursday 15 April 2021

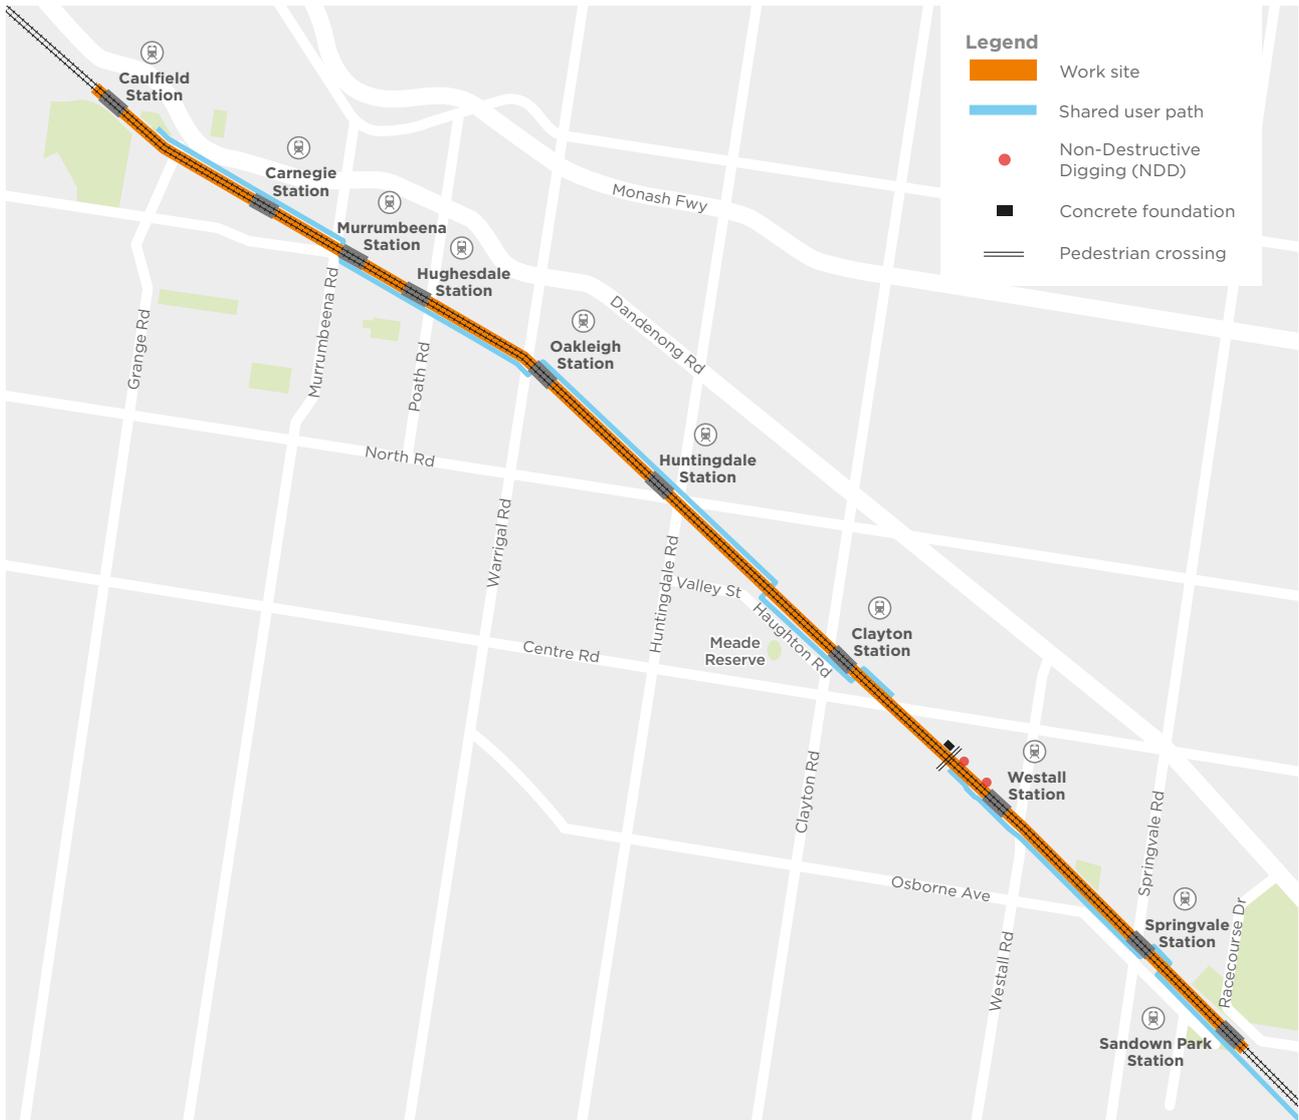

Monday 26 April to Tuesday 29 April 2021.

24-hour works:

- Friday 16 to Monday 19 April 2021.

What to be aware of

- Works will require the use of machinery including a non-destructive digging truck, excavator, dump truck, boring machine, concrete truck, light towers, generators, hand tools, cable winch, cable truck, hi-rail and light vehicles
- These works are expected to generate medium levels of noise
- Some sections of the Djerring Trail shared user path along Carinish Road, Clayton (between 1 to 31 March) and in the Westall area (1 to 30 April) will be temporarily closed to enable trenching work to be completed. Closures will be clearly signed with traffic management and detours in place as required
- Between 1 to 30 April access to the Wordsworth Avenue, Clayton South pedestrian crossing will be restricted with traffic management in place to guide pedestrians around work areas
- Up to 50 car parking spaces near Westall Station (along Rayhur Street between Kombi Road and Nursery Avenue) will be closed from 1 to 30 April to enable trenching work to be completed
- Between 29 March to 15 April, non-destructive digging works will take place at night within the rail corridor between Wordsworth Avenue and Westall Station. These activities can only be performed at night, when trains are not running.

- Use of portable light towers will be required. Where possible they will be positioned to face away from residential properties
- For the safety of rail users and our workers, some of these activities can only be performed at night, when trains are not running.

Passengers should allow an additional 30 minutes travel time.
