

WORKS NOTIFICATION

IMPORTANT CHANGES TO STEWART AND A'BECKETT STREETS

JANUARY 2019

Major works on the Metro Tunnel are underway to support construction of the new State Library Station at the northern end of Swanston Street in the CBD.

From Monday 4 February, the entire length of Stewart Street will permanently **become one-way, in a southbound direction**, between Franklin and A'Beckett streets.

What we are doing

Site establishment works will continue at the A'Beckett street site and will be completed before permanent traffic changes are made to Stewart and A'Beckett streets. These works involve:

- Completing construction of the covered walkway over Stewart Street for workers to travel between the site support area and the acoustic shed
- Installation of barriers, fencing and hoarding
- Delivering materials and equipment
- Removing and installing traffic signs
- Line marking
- Opening the entire length of Stewart Street as a one-way street in a southbound direction only.

When

Site establishment works will be carried out during standard construction hours:

- 7am - 6pm, Monday to Friday
- 7am - 1pm, Saturdays
- 9pm - 5am Sunday 3 February for line marking (weather permitting)

- No works on Sundays or public holidays unless otherwise notified.

Shaft excavation works will continue 24 hours a day inside the acoustic shed.

What to be aware of

- The entire length of Stewart Street will become one-way, from 5am on Monday 4 February. Travel in a northbound direction will not be permitted on any section of Stewart Street.
- Residents travelling to the A'Beckett Tower car lift need to use Stewart Street. Access to the car lift is not permitted from A'Beckett Street (refer to map)
- Residents exiting the A'Beckett Tower car lift need to turn left on to A'Beckett Street
- Residents exiting the Currie and Richards Building car park need to turn right on to Stewart Street (refer to map)
- Residents entering the Currie and Richards building car park will continue to turn right on to Stewart Street from Franklin Street
- Traffic management will be in place during works to safely guide pedestrians, cyclists, and motorists around the work areas
- Access to businesses and residential buildings will be maintained at all times
- There will be low levels of noise during line marking works.

Indicative only
