

WORKS NOTIFICATION

BERKELEY STREET INSTALLATION OF GATE AND RAMP, PARKVILLE PRECINCT FROM 6 FEBRUARY 2019

Further to the Parkville December 2018-January 2019 construction update, please be advised works to install new gates and a ramp at the Berkeley Street entrance to the Grattan Street site will commence on **Wednesday 6 February 2019** and continue for up to one month.

What we are doing

Works will involve three consecutive days of non-destructive digging, saw cutting and the use of a medium-sized excavator and are expected to generate medium to high levels of noise. Works will also involve the relocation of a drain on the west side of Berkeley Street approximately four metres to the south and the installation of a site entrance for pedestrians to the east of the new gates.

These works are required to facilitate truck movements over the completed capping beam.

Access for pedestrians and cyclists will be maintained across Berkeley Street at all times during the works. Pedestrians and cyclists will be diverted a short distance to the south down Berkeley Street.

Signage and traffic controllers will be in place to direct pedestrians and cyclists safely around the works area.

Access to businesses and properties on Berkeley Street will be maintained at all times.

One loading bay on the west side of Berkeley Street will be temporarily occupied during installation.

Following the installation of the gate and ramp, the pedestrian diversion will remain in place until the end of Parkville Station construction.

When

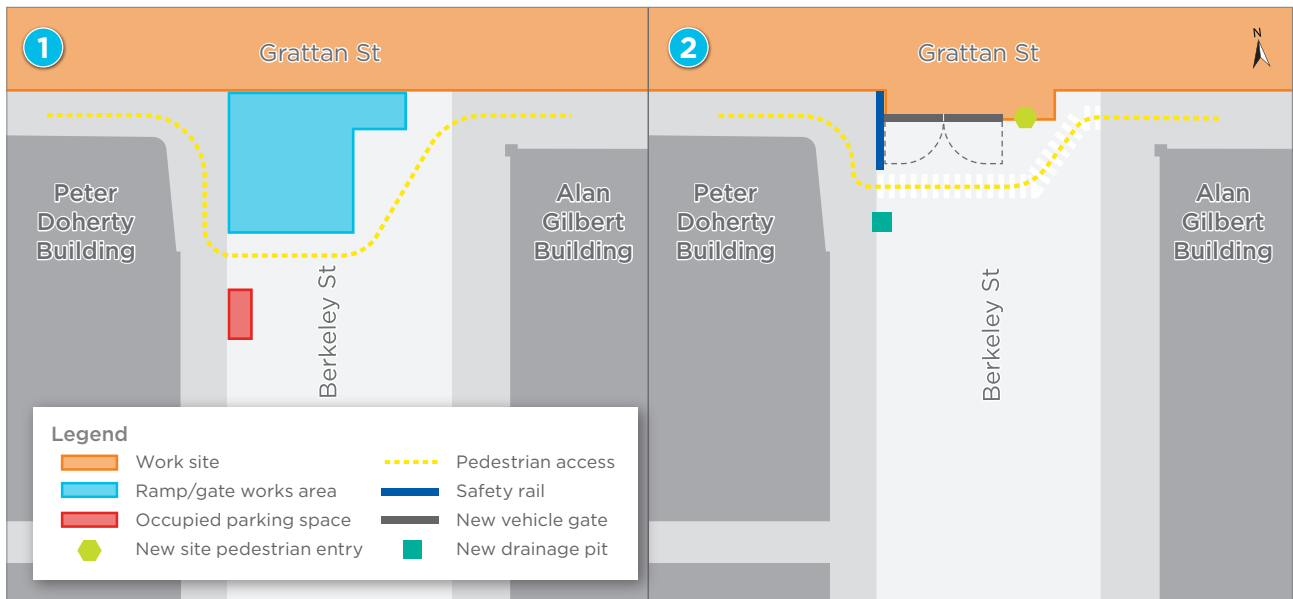

- From 6 February 2019 for up to one month, 7am to 6pm Monday to Friday and 7am to 1pm, Saturday.

Stage 1 works

From 6 February to mid-March 2019

Stage 2 works

Ongoing from mid-March 2019

Indicative only.
