WORKS NOTIFICATION

DRAIN INVESTIGATION WORKS
YARRA ST, SOUTH YARRA
THURSDAY 9 TO THURSDAY 30 APRIL 2020

As part of the Metro Tunnel works in South Yarra, works to investigate the local drainage system will be carried out on Yarra Street. These investigations will help to inform the drainage design for the Metro Tunnel entrance.

What we are doing
- Investigation of the drainage system under Yarra Street using CCTV equipment
- A camera will be lowered into the drainage system, and images will be captured. These images will be used to help inform design
- Removal and reinstatement of drain pit lids using hand-tools.

What to be aware of
- These works are expected to generate low levels of noise
- One lane of traffic will be intermittently closed on Yarra Street while we complete these works. Traffic management will be in place during these periods, access will be maintained for local traffic during this time.

When
- Thursday 9 to Thursday 30 April
- Monday to Friday, 7am to 6pm
- Saturdays, 7am to 1pm.

Health and safety
The health and safety of our workers is our key priority as we continue to deliver the Metro Tunnel Project, as is supporting social distancing measures in line with current health advice. We have strict protocols in place to protect the safety of our construction workforce, including enhanced industrial cleaning arrangements, provision of personal protective equipment and measures to reduce staff contact, including staggered shifts.
